

BLAENAU GWENT COMMON HOUSING REGISTER APPLICATION (Confidential)

Blaenau Gwent County Borough Council is administering a common housing register working in partnership with local providers of affordable rented accommodation. Following completion and acceptance of this application you will be considered for accommodation across Blaenau Gwent.

The housing providers taking part are Blaenau Gwent County Borough Council, Linc Cymru, Melin Homes and United Welsh Housing Association.

Data Protection Act 1998: The information you provide to us will be stored electronically and used to assess your housing status, and will form a part of your housing records with us. We will also share this information with other housing providers and bodies in particular to prevent and detect fraud. Please note we may also use external organisations for current and previous address history searches only. All housing organisations will be registered; however, applicants will only be able to apply for housing following essential checks and verifications. (Please refer to guidance notes or internet/web link).

Please note acceptance onto the common housing register does not guarantee you a tenancy or access to any other opportunities.

Please refer to the guidance notes when completing this application form and ensure all questions are answered as failure to do so may result in the processing of your application being delayed.

Please note the partnership panel will consider housing applications in relation to the housing act specifically around the applicant being an acceptable tenant to the partnership. This may result in a temporary suspension of the application.
