NOTICE TO EXHIBITORS

- The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.
- Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by action of the show committee. A refund of all but \$10.00 will be given for bitches in season. The same refund policy will be in effect for any dog that becomes injured or seriously ill and is unable to compete. In the unfortunate event of the death of an entered dog or handler, entry fees will be refunded in full. NO VET LETTER REQUIRED, we are relying on the integrity and honesty of our exhibitors.
- All fees must be paid in US funds. There will be a Returned Check Fee of \$25.00 for returned checks.
- In the event of withdrawal from the event, checks will NOT be returned.

Unused checks will be destroyed.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior, may, at the discretion of the show committee, be asked to leave the show site. In that case, no refund of any fees paid will be made.

- All dogs must be on leash at all times except when using the warm-up area or in the agility ring.
- No entry fee will be refunded if the Trial cannot open or be completed by reason of riots, civil disturbance, fire, an act of God, public emergency, act of a public enemy or any other cause beyond the control of the organizing committee.
- Obstacles shall meet the specifications for obstacles in the current edition of the Regulations for Agility Trials.
- Exhibitors are responsible for complete, accurate and legible information on entry forms; illegible or incomplete entries cannot be entered in the Trial.

- Exhibitors must clean up after their dogs at the hotel and at the Trial Site.
- Food and toys are not permitted in the course area and handlers are not allowed to use whistles, clickers or squeaky toys at the Trial Site.
- Exhibitors are responsible for being at the ring gate when it is their turn to run.
- Plan to attend the general briefing each day, since all exhibitors and their associates will be responsible for following the instructions given at that time. Failure to attend the briefing does not absolve one from conforming to club rules.
- X-pens and crates can be left at the site overnight. Lap it Up will not assume responsibility for personal items left at the show site. Due to limited crating area on the first floor we would request that you use our mezzanine level to crate unless physical limitations require you to crate on the first floor. Thank you for your understanding.

Obstacle Familiarization: Obstacle familiarization will be held each morning 30 minutes prior to judging for dogs.

Warm-ups: A warm-up area will be provided for all Exhibitors.

Show site: Trial is indoors on soft 1/2" Blue Comfort King Matting over 1/2" Foam matting with a ring of approximately 40 feet x 70 feet. Space is fully climate controlled with a swimming pool available for private rental (dog only).

Eligibility: This trial is open to all dogs 17-inches and under at the withers that are over the age of 12 months, except bitches in season, aggressive dogs, or dogs suffering from any deformity, injury or illness which may affect a dog's physical or mental performance.

Move-Ups: Move-ups will be accepted for dogs earning a title at a prior show. Move-up requests must be in writing but may be sent via e-mail. Move-ups will also be accepted if a dog completes a title during the running of this Trial. In such case, the Move-Up request must be made immediately upon posting of scores for the class in which the title was earned.

Fast Track: Titles may be grandfathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move up from Beginner to Superior on the same day, if the dog qualifies first in Beginner, and then qualifies again in Intermediate. Likewise, it is possible for the dog to move up from Games I to Games III by qualifying in the lower two levels. A qualifying score in the lower class is required to move up to the next higher class. The dog's owner must submit a copy of title certificates for the dog.

Please mark each of the following that apply in the form below:

Move up from Beginner to: Intermediate Superior

Move up from Games I to: Games II Games III

Submit \$8.00 with your move-up request, and attach this form. Payment of the \$8.00 is no guarantee that your dog will qualify at the lower level (though he/she will have multiple chances at each in Standard and in Games), and is non-refundable. This fee must be paid for this trial even if it was paid at an earlier trial.

Check here if you are doing Fast Track:

AWARDS: Ribbons will be awarded for 1st through 3rd place in each jump height of each class. Qualifying ribbons will be awarded to all dogs receiving a Qualifying Score. Fast-Track dogs are **not** eligible for awards in classes through which they Fast-Track. FEO (For Exhibition Only) will be offered.

We want to celebrate with you! Please let us secretary know if you anticipate completing a TACH, TAM, or TMAG at our trial.

Vendors: Vendors of dog-related items and services are welcome! There is no fee for vending at this trial.

-----CLASS INFORMATION-----

Standard Classes

Beginner Agility - All dogs shall be eligible for participation in this class. There shall be no grand-fathering of titles from other organizations.

Intermediate Agility - Only dogs who have earned the Teacup Beginner Agile Dog (TBAD) shall be eligible for participation in this class.

Superior Agility - Only dogs who have earned the Teacup Intermediate Agile Dog (TIAD) shall be eligible for participation in this class. (Dogs who have earned the Teacup Superior Agile Dog (TSAD) are also eligible for this class.)

Please Note: All competitors are eligible to run Standard 1, 2, 3, 4 &5! The numbers simply indicate that there are 5 opportunities over the course of the weekend for each dog to run standard courses. They are numbered 1- 5 in order for us to identify the classes for proper scoring. They are all offered at all three skill levels. Hope this helps!!

Game Classes

Games I - All dogs shall be eligible for participation in this class. There shall be no grand-fathering of titles from other organizations.

Games II - Only dogs who have earned the Games I (TG1) shall be eligible for participation in this class.

Games III - Only dogs who have earned the Games II (TG2) or Games III (TG3) shall be eligible for participation in this class.

Transylvania Pinball is the Halloween Edition of Wild West Pinball, the purpose of which is to accumulate as many points as possible in the allotted time (50 seconds).

Weakest Link

The objective of The Weakest Link is to score as many points as possible in the allotted time. Only “banked” points will count toward the final score. Each obstacle taken must be worth as much as or more than the previous obstacle. Points are in jeopardy until they are banked by performing the designated banking obstacle as indicated by the judge. Each sequence banked must be unique. Fun!

Pumpkin Patch Raid: Several Halloween Props are placed in a designated area on the course. The dog is directed by the handler to perform an obstacle for points. Upon completion of that obstacle, the team collects those points and an item from the prop box. Then continues on to another obstacle for points and again to the prop box. Continue in this manner collecting as many points as possible within the allotted time. (See Easter Egg Hunt in the Agility Book of Games for full details)

Quidditch is a fun game including challenges to collect points and opportunities to collect bonus points by performing distance challenges. You won't want to miss the judge's briefing! Super fun game!

Helter Skelter is run on a jumpers course and may include tunnels (and weave poles for Games 2 and 3 level dogs). The dog is required to perform each obstacle on a course numbered by the judge. This game is scored faults then time. The dog with the fewest faults and the fastest time wins.

For more information on these games, please visit TDAA website at www.k9tdaa.com. You may also reference The Clean Run Book of Agility Games. However, our Judges reserve the right to adapt any game played. Their rules supersede all others.

Height Divisions

Owners are responsible for entering the proper height division. Judges reserve the right to measure dogs entered in any trial. At the handler's option, dogs may be entered in a higher height division, but not in a division lower than their proper height division. Dogs that run in a height division lower than their proper division will be eliminated. Provisional dogs must be measured by a judge. To figure leg to shoulder ratio: $\text{Height from the elbow to the ground} \div \text{height at the withers} = \% \text{ (ratio)}$. If that percentage is less than 50% and meets the height requirement then the dog can jump at the next lower height.

- 2" jump height: Restricted to dogs measuring 4" or less at the withers; or dogs with a jump height exemption measuring 8" or less.
- 4" jump height: Restricted to dogs measuring 8" or less at the withers; or dogs with a jump height exemption measuring 12" or less.
- 8" jump height: Restricted to dogs measuring 12" or less at the withers; or dogs with a jump height exemption measuring 16" or less.
- 12" jump height: Restricted to dogs measuring 16" or less at the withers; and open to all dogs with a jump height exemption measuring 20" or less.
- 16" jump height: Open to all dogs measuring 17" or less at the withers. Dogs who previously have been measured into this height may want to be re-measured just in case they now measure in the 12" height class ALL DOGS NOT POSSESSING A PERMANENT HEIGHT CARD WILL NEED TO BE MEASURED PRIOR TO THE FIRST DAY OF COMPETING AT THIS TRIAL. PLEASE BE PREPARED TO ARRIVE EARLY ENOUGH TO ACCOMMODATE MEASURING.

FEO (For Exhibition Only)

TDAA now offers FEO runs. They are open to any TDAA registered dog in any class. These are offered at the option of the local/host club. FEO dogs will run last at their jump heights. They may run on lead. FEO runs do not count toward TDAA titles. No treats or food allowed. FEO will have a maximum of 1.5 times of the SCT. FEO cannot repeat any obstacles, no training in the ring.

Disabled Handlers: A time exemption will be granted to disabled handlers amounting to 4 seconds in Standard course times and in qualifying course times for Games classes. Proof of disability shall be a copy of the handler's disability parking tag or other official documentation, which must be included with the entry or presented at check-in at the trial.

Entries WILL BE accepted until 8:30 a.m. each morning, for \$18.00 per run. TDAA Dog Registration Numbers may be applied for at the event so that your dog can participate in this trial. Entries will not be

accepted without fees. Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by action of the Trial Committee. No entries will be accepted which require a signature for delivery. All entries must be submitted on official

TDAA Agility Entry forms. One dog per entry form.

Photocopied entries, without the signed TDAA Agreement attached are NOT acceptable. Unsigned, incomplete or illegible entries are NOT acceptable and cannot be entered in the Trial. Faxed entries and/or credit cards cannot be accepted. Returned checks do not constitute a valid entry fee. The Trial Secretary will add a \$25.00 service charge for any returned check(s). Subsequent returned check(s) from the same Exhibitor may result in their being put on a CASH ONLY basis.

Run Thru FRIDAY NIGHT

Would you like to get your dog on Teacup equipment before the trial? Friday evening (October 30) Lap it Up will host a TDAA run thru at the trial site to give everyone a chance to try out the equipment. The run thru will start at 6:30 PM and end at 8:30 PM, with the last registration accepted at 7:30 PM. Dogs will be able to run a standard course so they can try out all the equipment. Cost will be \$5 per run. You may sign up for the run thru when you arrive at the site. If you have never competed in TDAA but like what you see and want to enter the weekend trial, you can complete a TDAA registration and day of trial entry that evening as well.
