Commentary on results: We are very pleased with the results of the pupil survey which shows a reduction in car usage and an increase in walking to school. Also Public bus and School bus figures have increased. One of the aims of our Environment Committee is to educate and encourage pupils to think about the environment and to use sustainable forms of transport to school and when they eventually commute to work.

Issues

Current Issues

Category	Date identified	Details	How identified	Solutions	Documents
Cycling	FEBRUARY 2014	Many would-be cyclists have raised concerns again about cycling along Parkside which is very busy during commuting times. Cycling through Wimbledon Common on agreed routes have become impassable because of the heavy rainfall and is too dark to cycle safely during winter evenings.	During Staff survey.	Building a segregated, maintained lit cycle path parallel to Parkside on the edge of the Common. Many more staff would cycle this route thus reducing pollution and traffic congestion problems in Merton.	
Parking	MARCH 2014	Concerns have been expressed at the way some parents are parking at various drop off points in the morning in Clifton Road and opposite main school on Southside near Crooked Billet Pub.	Through parent consultation	One way for 40 minutes in the morning down Clifton Road. More PCO presence at certain times to catch parents who are continuing to do this.	
Public Transport	MARCH 2012	Cost of Public transport is rising faster than the cost of driving.	Staff survey	Look at cost of Public transport.	
Personal Safety	JUNE 2012	Would consider bus if there was a direct route from Roehampton to Wimbledon. Walking along by Wimbledon Common during winter months feels too isolated.	Staff survey	Direct route from Roehampton	

Personal Safety	MARCH 2014	Many parents consulted said they would be happy for their children to cycle but with a designated cycle lane along by the Common as Parkside and surrounding roads are very busy during the rush hour.	Parent Consultation	Designated cycle path along Wimbledon Common and some other major roads coming to the School
