Action Plan Template

Goal:

- 1. Provide clear direction/guidance and state desired results/intentions.
- 2. Describe the end result toward which effort is directed.

Early mental health screening, assessment, and referral to services are common Practice.

Objective:

- 1. Specify result to be achieved
- 2. Describe a result that is measurable
- 3. Set the time frame.

DOH will develop a Memorandum of Agreement with relevant health associations/organizations to conduct depression screening and referral training in primary health care settings by July 2009.

Activity Statement (in one sentence):

- 1. Describe the activity.
- 2. State how it will be accomplished.
- 3. Describe the desired outcome or level of performance.
- 4. List the resources required to complete the activity.
- 5. Identify who is responsible.
- 6. Set completion date.

DOH, through the office of the Deputy Director of Behavioral Health
Administration, will establish and staff a task group of key informants from
relevant health associations/organizations to develop a Memorandum of
Agreement by July 2009 to conduct depression screening and referral training in
primary health care settings.

GPRA #1: Policy Change Template

GPRA Indicator 1: Increase percent of policy changes as a consequence of the CMHP.

Definitions:

- <u>Percent</u> = Percent of changes targeted over the life of the grant that have actually been completed at each annual measurement point.
- <u>Policy</u> = Written document directing some action or event, can be administrative or legislative (e.g., directives, guidances, clinical practice guidelines, regulations, statues, operations manuals, procedures, bylaws, strategic plans, mission statements, written decisions, standards, etc).
- <u>Change</u> = Creation, documentation, elimination, or alteration of a policy.
- <u>Completed</u> = Exists in final form and has been approved or passed.

1. Activity Statement (see Action Plan):

DOH, through the office of the Deputy Director of Behavioral Health Administration, will establish and staff a task group of key informants from relevant health associations/organizations to develop a Memorandum of Agreement (MOA) by July 2009 to conduct depression screening and referral training in primary health care settings.

2. **GPRA Specific Content:**

a. <u>Nature:</u> What is the *nature* of your policy objective? (e.g., written agreement, administrative regulation, law, etc.)

Memorandum of Agreement (MOA)

b. <u>Intent</u>: What is the *intent* of your policy objective? (e.g., ensure children receive trauma-informed care)

To conduct depression screening and referral training in primary health care settings.

3. Criterion for completion of policy change:

(e.g., drafted, publicly reviewed, final draft written, approved or passed, issued or implemented as measured by)

A final written draft of the MOA approved by Task Force.
