GPRA #5 Data Collection Template

GPRA Indicator 5: Increase the number of organizations that regularly obtain and analyze data relevant to the goals of the CMHP.

Definitions:

- <u>Organizations</u>= May include State agencies, bureaus, departments or other major subdivisions; counties, cities, or tribal agencies; or agencies providing mental health or related services to people who have or are at risk for developing mental health needs. Can include consumer-, youth-, or family- member run organizations; private provider entities; and non-governmental organizations.
- Regularly = Occurring on a scheduled, repeated, and ongoing basis.
- Obtain Data = receive and/or collect.
- <u>Analyze Data</u> = Systematically reviewed to facilitate program, organization, or state agency/department planning; facilitate consumer choice or shared decision-making; or to improve the quality or efficiency of services.
- <u>Data</u> = Quantitative or qualitative information collected through specified methods and procedures.

1.	Activity Statement (see Action Plan):
