Join Art League instructor, Jim Burford, for a very special workshop in Spain's most cosmopolitan city, and a principal European port, Barcelona, Spain. Barcelona is an art lover's dream!

Its Old Town Centre contains the greatest concentration of Gothic architecture in all of Europe with many preserved as World Heritage Sites. The agenda includes exploration and sketching in some of the best locations, including the Fundacio Joan Miro. Housed in a magnificent building by Josep Lluís Sert in the Parc de Montjuic, it contains the finest public collection of the work of Joan Miro, with some 300 paintings, 150 sculptures and the complete graphic works. Five Gothic mansions house the famed Picasso Museum. In addition to works from the artist's youth and later life, such as the Blue Period, it also contains the magnificent Las Meninas series, a rich interpretive exercise based on Velazquez's famous work. The Museu d'Art Contemporani (MACBA) contains an important collection of artworks from the last half-century. No visit to Barcelona would be complete without visiting the colorful Guell Parc and La Sagrada Familia (designed by Antoni Gaudi). The La Sagrada Familia is a giant temple that has been under construction since 1882. This building is the number one most visited attraction in Barcelona. You will also visit the Dali museum in Figueres, Dali's hometown. The museum is home to one of the largest collections of his work. Even the building itself is a work of art, and quite unique.

Named by National Geographic as one of the best beach cities, Barcelona also boasts almost 3 miles of spectacular waterfront and abundant sunshine.

Accommodations have been reserved at the Best Western Premier Hotel Dante', a 4 star hotel located a short distance from the Old Gothic Quarter. All rooms feature a private bath and a buffet breakfast.
