From the desk of Mr. Wieters

Dear St. Francis de Sales School Parents.

Our first Scholastic Book Fair of the year begins Monday! The theme for this semester's Book Fair is Score a Touchdown and Read! Students will have opportunities to preview and purchase books throughout the week. Parents will also have a chance to attend the Book Fair, either before the Home and School meeting Monday night or on Thursday night at the Book Fair Family Fun Night from 3:30 - 6:30 pm. To celebrate our Book Fair, Thursday September 26th will be Football Attire Dress Day! Students and staff can wear their football finest, be it t-shirts, sweatshirts or jerseys. Show you team spirit and proudly wear your Bears[©], Packers[®], or other team colors this Thursday!

The first official Home & School Meeting of the school year will be held this Monday, September 23rd at 6:30 pm in the School Gymnasium. Please come to the meeting if you can and learn more about our many events, school fundraisers and volunteer opportunities. Children are always welcome! and there will be free child care provided. Just another reminder that you can shop early at the Book Fair Monday night if you would like to starting at 6:00 pm. Please join us! All SFDS parents and faculty are invited and encouraged to attend.

Thursday is Picture Retake Day. Student may wear dress clothes to school if they need their picture retaken. They can change into their football attire following retakes.

In honor and recognition of all Catholic schools in Walworth County, students and staff from St. Francis de Sales Parish School in Lake Geneva, St. Andrew's School in Delavan and St. Peter's School in East Troy will gather together on **Friday, September 27**th **at St. Benedicts Parish in Fontana** and celebrate Mass together. The mass also celebrates our Catholic faith and identity. A Catholic education today means a rigorous curriculum; self-discipline; Christ as a model; a safe, supportive environment; high expectations; committed parents and a caring community. The Mass itself is a culmination and celebration of the success of our students and their schools. Following the Mass itself, students will be treated to a picnic and games put on by St. Benedict's Parish, with help from students from Catholic Central High School. It is expected that there will be over 400 students in attendance. Parents and Parishioners are welcome to attend.

Our first Home and School Family Movie Night of the School Year is Friday night September 27th at 6:00 pm in the School Gymnasium. The movie is *Hotel Transylvania*, which tells the story about Dracula, who operates a high-end resort away from the human world. When a boy discovers the resort and falls for the count's teen-aged daughter, Dracula goes into overprotective mode and hilarity ensues. Bring your chairs, sleeping bags and pillows and enjoy a family movie together with your children. Cost of the movie is free! There will be popcorn, juice and candy available to purchase. It sounds like a great night!

Should you have any questions or concerns, please do not hesitate to contact us here at school. Enjoy the weekend!

If you could choose anyone to be your teacher for a day, who would it be? Why?

By: Nora Maus

My friends and I are out at recess just sitting outside talking about random stuff like we always do. The first bell rang and we started heading towards the door to our classroom. We are walking up the stairs, making jokes and laughing when the door to our room opens. Standing in our doorway, is a man.

I look up and immediately know who he is. He has soft brown hair loose and messy. He has a beard looking similar to his hair. He has glowing brown eyes staring right at me. His posture is so relaxed and welcoming. I immediately feel like I am safe and comfortable.

I look at my friends and we all stare at each other in disbelief. They all knew who he was too. I don't think any of us had any idea what to do, so I did the first thing I could think to do. I bowed. My friends decided to join in with me. Then the man said, "Please, no, don't bow just treat me like any other man on the street, because I **AM** any other man on the street." "But.... but... you are so much more than that," I said. "No, we are all equal with each other in my eyes." And with that He led us into the classroom.

He told us many stories about his life, many stories that haven't been told before. He told us his opinions on the Church today. He told us meanings behind parables that were so complex it was amazing. When any of us asked a question he answered quickly with no sign of doubt. Jesus Christ was the most amazing religion teacher I could ever have.

Happy Friday!
