

YOUNG WATER PROFESSIONALS' PROGRAMME

From the contents

50 young engineering academics and professional beginners meet for one week to visit the trade fair WASSER BERLIN INTERNATIONAL.

WASSER BERLIN INTERNATIONAL is a trade fair with focus on water and wastewater with 24511 participants and 664 exhibitors in 2011.

Foreseen are following points in the Young Water Professionals' Programme:

- Sightseeing Tour
- Fair Visit
- Recruitment-/Career day
- Excursion
"Schaustelle Wasser Berlin International"
- Young Water Professionals' Conference

This year it is the first time that there will be a Young Water Professionals' Lounge at WASSER BERLIN INTERNATIONAL where young people will meet and greet – relax from trade fair visits and excursions, presentations discussions, and exchange impressions of the fair, the events, the conferences etc. – or just small talk and network.
