

6th Grade Summer Reading Non-fiction Work

Answer the following questions and then attach your bookmark log here at the top with tape.

Reflect on your log and answer these questions:

1. How many days did I spend reading this book?
2. Did it take me too long to read this book?

If yes, why?

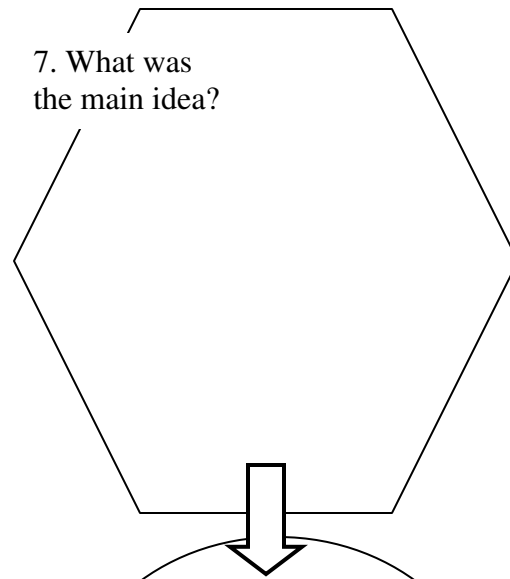

3. Is it harder or easier for me to keep track on my log during the summer?
4. In my next bookmark log, here's what I'm going to work on doing better (if anything):

Name: _____ Class: _____

5. Why did you choose this book and what do you want to learn from it? Did you have any previous knowledge on this topic or person? If so, what?

6. Think about your goals for the summer...are you on track to meet them? If not, what do you need to do differently?

7. What was the main idea?

8. List the supporting details

9. Answer the following questions and write the summary on the back of this page.

Who is the book about? (Biography) or What topic did you choose to read about?

What is the most important thing you learned?

What information surprised you?

Where do you think you could find more information on this topic?

How can you use this information in your life?
