**Description**

**Missouri Military Academy Parents Committee (PC)**

The MMA PC is a group of parents who are dedicated to making each and every cadet's experience at MMA as rewarding and fun as possible. The PC is responsible for funding the cadets' parties, monthly Thinking of You "ToY" boxes, providing goodie bags for ACT/SAT test takers, and contributing to all special events enjoyed by the cadets. For a full description of what the MMA PC does for the cadets and school, please visit the Parents Page on the MMA website. There are many ways for you to actively participate in your son's education at MMA through this group. Parent volunteers are needed regardless of where you live. There are many opportunities and needs that you can assist with despite your distance from campus. Additionally, if you have prior experience on a PTO/PTA we are especially interested in hearing from you.

**Barracks Parents**

Our Barracks Parents work closely with the Company Mentors in planning parties, procuring items for Barracks Decorating Contests, assisting with parties, fund raising, and communicating with parents about events, contests, and achievements. This is an extremely fun and rewarding opportunity for parents to get to know all the cadets in their son's Barracks and to participate in events all year. Again, please do not let your distance from MMA deter you from volunteering. Your willingness to help can be put to good use regardless of distance.

**Boosters**

We are exploring for the first time this year the idea of parent Boosters for the activities that your son is actively involved in. If you would be interested in assisting the coaches, faculty and staff who are actively involved in your son's activities, this is your opportunity. Regardless of whether it's athletics, band, Railsplitters, basketball, soccer, or any other extra-curricular, please check this category if you can assist either in person, financially, or in the planning of fundraisers and events.

If you are interested in being a booster, please tell us the activity you are interested in helping with: \_\_\_\_\_
