### [D] LABORATORY/CLASSROOM SUPPLIES and EQUIPMENT:

(1) Submitting a “Wish List” greatly increases the probability that we will have what you need ON the island before your program begins. We will do our best to fulfill “Wish List” requests, however purchases over \$500 need the Director’s approval (you will be notified if any of your “Wish List” requests cannot be met). If you choose to purchase supplies out-of-pocket; submit expenses for reimbursement (see the *SML Faculty Manual for details and guidelines*). For guidance and approvals regarding this process, please contact Hal Weeks. Be sure to list **ALL** equipment and supplies you'll need to teach your course; please be specific! Feel free to include additional sheets.

(2) What specific **disposable** supplies will you need to teach your course?

---

#### **[E] APPLIEDORE STORE ITEMS**

(1) List items you would like available for students to purchase in the *Appledore Store*?

---

---

---

---

#### **[F] EQUIPMENT LOANS**

(1) Is there a specific piece of equipment you would like the Lab to BORROW?  
(from Cornell, UNH, etc.?)

---

---

---

(2) If you plan to bring ANY equipment valued at \$5,000 (combined) or more, please send Christine ([ccb5@cornell.edu](mailto:ccb5@cornell.edu)) an itemized list of this equipment with serial number, and value included. This information will be submitted to Cornell Risk Management and Insurance for coverage while the equipment is in use on Appledore.

**[G] DUPLICATING/PRINTING:** Please do not plan to duplicate any handouts or course materials while on Appledore. Either contact Hal, or see the program staff when you arrive on Appledore to arrange for copies to be made on the mainland; remember to allow for a few days of turnaround time.

**[H] MAINLAND FIELD TRIP INFORMATION:** For trips that require equipment, shore vehicles\* and/or assistance from the program staff. \*Shoals vehicle holds 7 people (including driver).
