## DRIVER AGREEMENT

**This Agreement establishes the responsibilities of drivers as participants in The Rideshare Company's (TRC) commuter vanpool service. The primary purpose of TRC's commuter vanpool service is to provide non-profit, ridesharing transportation of individuals to their places of employment.**

**"Driver" refers to the person who operates a van.**

### **The Driver agrees to:**

- Maintain a valid driver's license in his/her state of residence.
- Notify TRC when he/she no longer meets established driver selection criteria.
- Coordinate maintenance, cleaning and servicing of the van as prescribed.
- Obtain prior approval from TRC for any expenditure relating to the van, other than fuel, in excess of \$25.
- Keep daily and monthly records as required.
- Abide by TRC's policy regarding not carrying or consuming alcoholic beverages, illegal drugs, other intoxicants or narcotics in the van at any time.
- Ensure that all riders, including the driver, wear a seat belt at all times.
- Not use a cell phone or any other device while driving the van at any time.

### **The Rideshare Company and the Driver mutually agree that the following regulations apply to operation of a Rideshare Company van:**

- The Driver is an independent contractor and shall not be considered an employee of The Rideshare Company for any purpose, including but not limited to health and pension benefits and workers' compensation and unemployment benefits.
- Operation of a Rideshare Company van is restricted to a Driver approved by TRC.

- Safe driving habits and complete observance of all traffic regulations are required of all drivers. Any citation resulting from the operation of the van is the responsibility of the person driving the van at the time of issuance of the citation. The Driver will report any citation resulting from a moving violation to TRC within 48 hours whether received while driving TRC's van or any other vehicle.
- The Driver will be responsible for reporting to TRC any vehicular accident involving bodily or property damage immediately. Such reporting is to include any injury to a passenger of the van even though no third party was involved (e.g., passengers falling and injuring themselves while entering the van). The Driver is responsible for completing a motor vehicle accident report and submitting it to TRC within 48 hours.
- The van is to be parked in a safe off-street location whenever and wherever possible.
- The van is not to be used for hire; to pull trailers, boats, etc.; to haul garbage, debris, or excessive loads; nor for any purpose requiring the removal of seats.
- The van is to be driven only on hard-surfaced streets and highways and other normal access roads and driveways. It is not to be driven off-road, on beaches, in fields, or in any other potentially unsafe environment.
- The van is not to be driven over bridges or roads posted for less than a 4-ton weight load. Width and height clearance requirements of the van are to be observed at all times.
- Accessories will not be added or removed without prior approval of TRC.
- No person shall be denied the opportunity to ride nor be subjected to discrimination because of race, creed, color, sex, age, national origin, nor the presence of any sensory, mental or physical handicap, nor in any way contrary to applicable local ordinances, state and federal laws and regulations.
