**A**t Baton Rouge General's Birth Center, we understand that the birth of your child is a time of great pride and joy for you and your family. And with each new birth in our Birth Center, it is also a time for celebration.

That is why we created the Lullaby Babies program — to give you, your loved ones and friends a way to celebrate your child's birth. For a tax-deductible contribution of \$75, your baby can become a member of the Lullaby Babies program. Your child's footprint will be etched in pink or blue on a satin silver medallion, along with the complete name and birth date. To perpetuate the honor, this medallion will be permanently displayed on the Lullaby Babies recognition wall located in our Birth Center's family waiting area.

For an additional \$50, you can receive a duplicate of this beautifully crafted medallion, which includes a lucite easel for displaying in the home or office. And for a seasonal reminder of your baby's birth, an etched glass Christmas ornament displaying your baby's footprint, name and birthdate is also available for \$50 each.

To enroll your baby in the Lullaby Babies program, simply complete the attached form and return it to Baton Rouge General Foundation with your contribution. You will be notified upon receipt of the medallion.

If you have any questions or would like further information on the Lullaby Babies program, please call the Foundation at (225) 763-4372.

Donations to the Lullaby Babies program are used exclusively for the Birth Center and neonatal intensive care area, ensuring the best possible resources will continue to be available for new mothers, babies and the families who choose our Birth Center.
