**IVAN K BLOUGH  
VOCATIONAL  
SCHOLARSHIP  
LEGACY**

In June of 2010, the Lowell Community lost a treasured person, Ivan K Blough. The community was overwhelmed with a desire to honor Mr. Blough. The Chamber thought the best way to achieve this was to bring back our scholarship program designating it the Ivan K Blough Scholarship. The Blough family discussed this and felt it would indeed honor their father, and by pooling contributions, we could have a larger impact, minimize administrative costs and the complexity of the application process.

The Chamber Foundation established a perpetual scholarship endowment fund that is managed by the Grand Rapids Community Foundation. The Chamber uses its Annual Golf Outing as a vehicle to raise funds for the endowment, along with other community members, organizations and businesses that wished to contribute.

# WHAT IS A VOLUNTEER?

A volunteer is a person that has a spirit of service, creativity, sensitivity for human pain, strong moral values, the ability to work in a team, and a social conscience. They practice solidarity, leadership, good interpersonal relationships, discipline, communication skills, and care for themselves and for others.

Volunteering is intended to promote good or improve human quality of life. It is considered as serving the society through own interest, personal skills or learning, which in return produces a feeling of self-worth and respect, instead of money. Volunteering enhances skills of development, to socialize and to have fun. It is also intended to make contacts for possible employment or for a variety of other reasons.

Community volunteering refers to volunteers who work to improve our community in which we live. Neighborhood, church, and community groups play a key role in building strong cities from the neighborhoods up. Supporting these understaffed groups can enable them to succeed in a variety of areas, which connect social, environmental, and economic boundaries.

Volunteers are priceless commodities!
