TEST YOUR MOTIVATION, DETERMINATION AND TEAMWORK

- COURSE** Course distance is approximately 3.8 miles. The course traverses various surfaces to include dirt roads, fields, ponds (no swimming required) and mud trails. Numerous obstacles are incorporated into the course. Highlights include walls, trenches, mud pits and a few other surprises to challenge each runner!
- RACE** Individual runners or teams consisting of any number of runners of unlimited size will start the race. Top of the line RFID race timing system to ensure accurate times for those in the timed waves only. Electronic timing tags for each individual runner, or one for each team. Your time starts when you cross the starting line, not the gun time. Awards will be given to top three times in each category or individual in each 5 year age group. No awards for teams.
- ATTIRE** Difficulty of the course and rough-n-ready attire is an integral part of the event. While safety precautions have been taken, the nature of this event recommends that runners wear attire that reduces the possibility of mishap. Costumes are encouraged, however please make sure they cannot get snagged on obstacles, impair your vision, or prevent you from breathing normally. This is an all ages run, 13+ please refrain from wearing overly offensive wording on attire. Event management reserves the right to ask participants to alter attire as they deem necessary.
- LOCATION** Santa Fe Dam Recreational Area, 15501 East Arrow Highway, Irwindale, CA 91706
