

Application for a Medicare provider number and/or Pharmaceutical Benefits Scheme prescriber number for a midwife or nurse practitioner

Important information

Complete this form if you are:

- an eligible midwife or nurse practitioner applying for an initial or additional Medicare Australia provider number and/or
- an eligible midwife or nurse practitioner under Section 84AAF/84AAJ of the *National Health Act 1953* applying for a prescriber number.

Access to Medicare Australia services

You must apply for a unique provider number for each place of practice and profession you practice in.

An application for a provider number from a midwife or nurse practitioner will be treated as an application to participate in eligible programs administered by Medicare Australia.

Provider number

Provider numbers are allocated to eligible midwives and nurse practitioners working in private practice to enable them to provide services listed under the Medicare Benefits Schedule and request certain diagnostic imaging and pathology services.

The provider number also identifies the location from which a service is provided.

A midwife or nurse practitioner applying for a provider number must be in private practice, and services claimed under this initiative must be performed while working in a private capacity except where the midwife or nurse practitioner is employed by, or under contract to, an Aboriginal and Torres Strait Islander Community Controlled Health Service or state or territory clinic, that has been granted an exemption under subsection 19(2) of the *Health Insurance Act 1973*.

To be in private practice, Medicare services must be provided by a private practitioner to privately billed patients. This means that a midwife or nurse practitioner cannot provide a service under Medicare as an employee of a public hospital or other government funded entity.

The Health Insurance Regulations 1975 state that, for Medicare purposes, a valid account or receipt must contain the practitioner's name and either:

- the address of the place of practice from which the service was provided or
- the provider number for the place of practice from which the service was provided.

Payment of claims could be delayed or disallowed where it is not possible to clearly identify the services that qualify for Medicare benefits from account details or identify the midwife or nurse practitioner as a registered professional at the place of practice.

Prescriber number

An application for a prescriber number from a midwife or nurse practitioner will be treated as an application to participate in prescribing pharmaceutical benefits under the Pharmaceutical Benefits Scheme (PBS).

You must have successfully undertaken an approved prescribing qualification to be an authorised midwife or nurse practitioner for the purposes of prescribing pharmaceutical benefits under the PBS.

For more information about the PBS or PBS stationery call **132 290** or go to www.medicareaustralia.gov.au/pbs

Eligibility for a provider number and a prescriber number

To be an eligible nurse practitioner or midwife you must be registered with the Nursing and Midwifery Board of Australia and have the following information on the Australian Health Professional Regulation Agency (AHPRA) public register:

- a nurse practitioner must have an endorsement
- a midwife must have a notation.

For more information about registration requirements go to www.ahpra.gov.au

Electronic Funds Transfer payments

Medicare Australia and Department of Veterans' Affairs (DVA) benefits for bulk bill claims can be paid into a nominated bank account by completing the bank account details section at question 18.

Personal contact details

Your email or mailing address will be used for general correspondence. These details should be kept up to date to ensure important information from Medicare Australia reaches you.

You can update your contact details through the Health Professional Online Services (HPOS). You will need a Public Key Infrastructure (PKI) individual certificate to access the full range of HPOS services. To register for a PKI Individual Certificate go to www.medicareaustralia.gov.au/pki

Assistance

If you need assistance completing this form call **132 150** (call charges will apply) between 8.30 am and 5.00 pm, Monday to Friday. For more information about prescriber and provider numbers email medicare.prov@medicareaustralia.gov.au
