Winning At Thinking: Overcoming Negative Internal Dialogue

Presented by: Michael Hinds

Wednesday, September 2, 2015 at 11:30 am - 1:30 pm
AGC Georgia's Training Center

The road to success is paved with many challenges. Sadly, most of these challenges stem from our faulty thinking. Faulty thinking negatively affects our measure of both success and failure. Thus directly impacting our sense of value and wellbeing.

So, how do we stop the negative internal dialogue that often plagues us? In our time together, we'll look at strategies for healthy thinking. We'll learn how to confront failure with logic and courage. I've helped hundreds of clients struggling with this same issue. I know I can help you.

About the Presenter: Michael is a certified Leadership Development and Success Coach. He has more than 30 years of leadership and training experience. With a Masters in Leadership, he now spends most his time helping individuals/organizations navigate change and identify their voice.

We're expecting a full-house for this unique and informative presentation. Lunch provided for those registering by 8/26/15.
