**CAMP SELECTION:**

<b>Program</b>	<b>Camp Fee</b>	<b>Date</b>
Select One	\$ 0.00	March 14-18

**Will you be registering another child in the same week(s)?**

YES  NO

**Total:**

\$ 0.00

**10% discount for multiple registrations from the same family in the same week**

**PLEASE NOTE: Total charges will be verified before processing.**

**Regular camp hours:** 9:00am-3:00pm (8:30-9:00am drop off/3:00pm- 3:30pm pickup)

**CAMP DESCRIPTIONS:**

### Flight Academy

**Ever dream of flying an airplane?** Get ready to take flight as we start you with ground school at the Windsor Airport and then use flight simulation software at St. Clair College to learn the concepts of flying. The week will end with a half hour, one-on-one training flight at Windsor Airport where you will actually help control the plane! The time spent up in the air can be logged in your log book if you decide to take up pilot training.

**Date:** March 14-18

**Course Fee:** \$425/week (includes cost of flight)

### Dream Room Designer

**Want to design your dream room?** Learn interior design terminology and concepts as you plan and build a to-scale 3D model of your ideal room, using a powerful and fun 3D computer modeling program. Our interior design teacher will help you take your concept through to 3D digital model so you can print out your design and make it a reality at home!

**Date:** March 14-18

**Course Fee:** \$325/week

### Video Game Maker

**Like video games?** Don't just play them, learn how to make them in this creative computer based camp! Working with a powerful development platform for creating video games, you will learn how to make a basic 2D video game. Learn how to draw or download custom graphics, add your own sounds, build levels and make your own rules! From start to finish, create your game and then put it in an android app to share it with your friends!

**Date:** March 14-18

**Course Fee:** \$325/week
