Field Trip Form  
**(YMCA COPY)**

Aloha Parents!

Thank you for choosing the Nu'uaniu YMCA as your childcare provider during your child(ren)'s Summer. Your child(ren) will be considered a Discoverer or an Adventurer based on their assigned group number. As much as possible, students are grouped with their peers by age. Groups and group numbers vary depending on enrollment. You can find out your child(ren)'s group number by asking an Intersession staff once our program has begun. Your child(ren)'s group is subject to change based on enrollment or unforeseen circumstances, and we will notify you of any such changes.

Please sign below to indicate your approval of the field trips described above and to give the Nu'uaniu YMCA permission to have your child join the field trip assigned to his/her group.
