

**LIVING WILL DECLARATION**

If I, \_\_\_\_\_, should lapse into a persistent vegetative state or have an incurable and irreversible condition, that, without the administration of life-sustaining treatment, will, in the opinion of my attending physician, cause my death within a relatively short time AND I am no longer able to make decisions regarding my medical treatment, I direct my attending physician, pursuant to the Rights of the Terminally Ill Act, to withhold or withdraw life-sustaining treatment that is not necessary for my comfort or to alleviate pain.

You may list specific life sustaining treatments you do not want such as cardiac resuscitation, mechanical respiration (i.e. breathing machine) and artificial feeding/fluids by tube. Otherwise, your general statement, above, will stand for your wishes.

I especially **do not want**: \_\_\_\_\_
