

Draft Tairua-Pauanui and Whangamata Reserve Management Plan

Submission Form

Reserve Management Plans provide the direction for the day-to-day management of reserves, what we can all do on these reserves and where development may be appropriate both now and in the future. We want to hear from you about changes we're proposing to the Tairua-Pauanui and Whangamata Reserve Management Plans as they haven't been updated since 2007/2008 respectively.
