Chapter Fundraising Guide

Fundraising is an important part of HOSA that allows students to participate in HOSA activities and attend conferences. Without fundraising many members would not be able to be as active as they would like. Georgia HOSA wants to do our part to help lighten the load for our advisors and members. We reached out to many fundraising companies around the state of Georgia, as well as the states bordering Georgia, to make contacts and break the ice for advisors.

These fundraisers will help your school raise the necessary funds to be a very active chapter in HOSA. Remember you do not have to use any of these fundraisers. Please visit georgiahosa.org throughout the year to find additional fundraisers that may be added. Also, if you want to add any fundraisers to this list, please email contactus@georgiahosa.org. Our goal is to make your job easier.

How would you like to raise residual funds, not have to worry about checks and cash, and be able to attract people of all demographics to help support your organization? MonkeyDough.com raises money for your organization by saving your supporters money on almost everything they do. We understand it's difficult and time consuming to raise the funds every single year that are necessary to support the program. We also understand that most organizations are short on man power to get it done. With MonkeyDough.com, because we are completely internet based, it takes less time, attracts people of all demographics and takes no administration on your part. Because we cover over 99% of the US, MonkeyDough.com allows you to fund raise nationally. Let us show you a better way to fund raise.
