This will bring you to the final registration page. Please have a parent finish the form here as it asks about addresses, emails, etc and there is an "I am at least 18 years old" agreement that needs to be checked. When you finish this page, click the Complete Registration button at the bottom and this will finalize your own personal fundraising page. You can share your fundraising link on Facebook or other social media sites and your totals will be calculated by the Leukemia and Lymphoma Society. There are premiums that are offered based on individual fundraising totals, and remember, the Junior Yacht Club that raises the most money by Friday August 15<sup>th</sup>, 2014 will be awarded the first Junior Leukemia Cup perpetual Award at Sayville YC. Thank you for your support!!!!
