President's Corner

November News Letter 2014

I hope everyone had a productive October. With Halloween behind us our next rally is Thanksgiving at the Portland/Fairview RV Park. This will be our third Thanksgiving Rally at this park. This year we have 9 coaches signed up for the event. Lee and Chris Casebeer are the rally hosts with Dana and I helping. The main dinner will be on Thanksgiving Day and will be the full meal deal. We are serving turkey and ham. Those of you that are going should already have your food assignments. As in the past I am looking forward to this time together with friends in the club. There is still room if you want to come.

Do you need have some windows with bad seals? Don Schleuse has contacted Dave Root for fixing the seals. He will be coming to the RV Park to fix the Schleuse's windows and will be available. If you need your windows fixed please contact Don so he can let Dave Root know ahead of time so he can bring the necessary supplies.

The Rally following Thanksgiving will be the Mardi Gras Rally in Puyallup located east of Tacoma. Tacoma's Museum District is first class with a history, art and glass museum as well as the LeMay-America's Car Museum. It has some beautiful car and even has a Tucker which there was only 50 made. If you are interested in Hydroplanes the Hydroplane and Raceboat Museum is located in Kent which is only 15 miles away.

Gig Harbor Rally is setup for April of 15. We are looking for a rally host, lets us know if you are interested.

Dana and I spent a few days with Vern and Glenda. Vern help me install the aux brake system for the toad. I went with the Air Force One that ties in to the air brakes on the coach to provide proportional braking. I tried to have the brake installed at the Rally, but the installer could not find a place to put the control box in the car. When I got home and had more time I found a location by removing the air cleaner resonator box. I am pleased with the installation and the performance of the brake. I know I got a better installation then if I had it done at the Rally. Thanks Vern. While there we had dinner at the Beck's. They served Ling cod and they sure know how to fix fish. It was wonderful.

Dues renewal is coming up soon and the treasurer (Dana) is ready to process your renewals now. Dues are now \$30, but if paid before January 31 they are discounted to \$25. If you want to pay for multiple years please talk to Dana to work out the details.

See you for Thanksgiving at Fairview/Portland RV Park.

Several of you have asked about the NWCC banners many of us fly at our rallies. They make a great presence wherever we are. Our coaches even made it on the evening news in Redmond at FMCA because the banners made us stand out. We have been asked to make another batch. We are now taking pre orders and when we have 6 we will have the printing done and complete them.

Total cost is 40.00. This includes the banner, pole, ground stake, bag and marker. They are ready to use when you receive them.

Please send your request to be on the waiting list to fdsutt@wavecable.com, or see the web site for an order form. We will collect the funds when we begin the construction process, and deliver at rallies. Dana Suttell

This is informative profile provided by Marvel Dement.

Dan and Marvel Dement were married 29 years ago in Fairbanks, Alaska. Dan has 1 daughter, Jamie, and 3 grand-daughters. Jamie and her husband, Jimmy, live in the Portland area.

The Dements started their RV experience in Alaska, having had 2 pickup campers, and a class C motorhome. They lived in Alaska many years, and returned to Oregon in 1997.

They moved to the valley and purchased our Beaver Marquis in 1997, and had fun exploring Arizona, California, Utah, Texas, and Nevada. They purchased their Country Coach in the fall of 2008, and spent the winter of 2009 in California and Arizona.

From 2009 until January of 2014 the Dements both went back to work, and had little time to travel. This spring their work schedules lightened allowing them to travel in the coach once again. They are looking forward to seeing new places and making new friends in the future.

Dan enjoys working, this includes “have saddle will travel” working on the family ranch, and “cowboying” for rancher friends. He likes to drive trucks, semi’s, loves to haul big loads, and drive log truck. He runs heavy equipment, and this summer has built roads for a logging company. He also manages our timber on the family ranch. When he is NOT working (which is infrequent) he likes to golf, loves to watch NASCAR, hunt and help friends.

Marvel enjoys gardening, reading, golf, hiking and anything outdoors. They enjoy “grandkid” time, and family...

Dan and Marvel Dement state they are Thankful for being included in our club...

Marilyn & Butch Travers’s first NWCCer rally was this September’s Cannon Beach Rally. They were impressed by how friendly our club members are. Great job folks!! They travel the country in a 2000, 36 ft. Intrigue, which is their first Country Coach.

The Traver’s have been married four years. This being the 2nd marriage for both, after both spouses died after 15 & 45 years of marriage. The commonality for Marilyn & Butch getting together was an RV resort in Indio, Desert Aire RV, where they both had lots with their previous spouses. If you combine the

off-springs of both it would take a sizable banquet hall to assemble them all. There is a total of 9 children, 4 for Butch & 5 for Marilyn, at least 13 grand-children, along with numerous great grand-children.

In Marilyn’s professional life she owned an Auction house in the Tacoma area. Butch spent 35 years working for Sysco Food Distributions. Their home in the north is Kenmore, WA, near the north end of Lake Washington and their winter home, from October to May, is in Indio, CA. They list interests as the outdoors & motorbike riding. If you are in the Indio area this winter, give them a call, they’d love to meet more of our **NorthWest Country Coachers** group.

Hi, Teresa. I had a couple of the “newbies” ask about where we got our shirts, so I thought maybe it might be time to re-cycle the article that we put in a couple of years ago. If you don’t need it for the next issue, just scrap it. *If you have any questions, just give me a call.*

Happy September!
Glenda (Vern, too!)

In 2009, after the occasional off-hand remark by one NWCC member or another, some of the members agreed that it would be nice to have a “club” shirt with a logo representational of the special character of our club. To that end, we set about finding something that might work. We had worked with a lady named Colleen while developing an embroidery pattern for the high school equestrian team with which our daughter and granddaughters have been affiliated. When we saw her at one of the meets in early 2009, she let us browse through all of her catalogs. When we found a design that we thought might do the job and determined that it would be possible to incorporate the CC logo in the finished picture, we sent the idea to the Board for approval. When we next saw Colleen, we sat down at her computer and set up the program for the design on the shirts that were purchased in time for the rally and annual meeting at Premier in Salem in August, 2009, and that you’ll see being sported at rallies.

Then, in 2010, a permanent logo was developed which we now see as the banner on all official documents, our newsletter and our badges. It seemed appropriate to contact Colleen once more to see what she could do about setting up the new image in case someone would like to have it embroidered on a shirt. Her reply was, “No problem!” and she added it to her files. She subsequently put the new logo on a couple of shirts already in our closet and assured me that the logos can be embroidered on nearly anything anyone might want decorated. (She did some camp-chair backs for us recently and also put our names on the “everybody-has-one” carry bags that get so much use at the rallies.)

Colleen keeps both of our NWCC logos in her files, and will gladly put either (or both) of them on one of the many garments in the catalogs on her website, or on one already in your closet. She’s very accommodating that way and will adapt to your needs. She travels to equine events around the Northwest during the season, and may even be at a show near your hometown. Her website calendar will tell you where she’ll be next, if not at home in Corvallis.

Check out her website if you’re interested. She might even have some designs in her catalog for other projects you may have in mind. Tell her Glenda sent you, and, before you ask, no, I’m not on the payroll. I just think she does good work at reasonable prices.

Thanksgiving Holiday Rally in Portland

It may not be too late to come to this year's Thanksgiving Holiday Rally. But, call either Kris (503-807-9936) or Lee (503-459-1332) first to see if we can get the last spot for you. We have 9 coaches on our attendee list. If you cannot attend, please think of us while enjoying your Thanksgiving Holidays. Coachless "drive-ins" are still welcome to attend the potluck Thursday meal or at any other time. Just let us know if you are stopping by. You are welcome to bring family members. The park's payment deadline for first night's deposit has passed, but their office staff is flexible & easy to work with on finding spots of late registrants. If you want to come please let us know by calling Kris or Lee. We look forward to seeing all who have registered. Happy Holidays & we will see the rest of you next year or maybe our paths will cross down south in a warmer, dryer climate.

2015 Tentative Rally Schedule

At the FMCA rally we discussed some pre-planning for the rally calendar for 2015. We had Bob Fite from the Puget Sounders Motor Coach Club as a guest speaker. He explained how they did their rallies and answered questions. He explained that they put their calendar together as much as two years in advance. This allowed them to get into places that might be otherwise booked and gave members a lot of time to plan their travels. They then got host and co-host who wanted to participate in a particular rally. If there was no host then the rally would be a no-host rally and members would just plan on the fly. **The following is a current work in progress.** Our tentative approach is to schedule the rally date and locations and hopefully the host will volunteer. We have some host but would also like to see co-host so don't be afraid to throw your name in if any of the locations interest you.

Jan-
Feb- Mardi Gras North 2/12-15 TBT
April- Gig Harbor, WA 4/23-26
May- Salem, OR 5/14-17
June- StoneRidge, Blanchard, ID 6/11-14
July- Oregon Coast 7/16-19 TBT
August- Grand Coulee Dam, WA TBT
Sept – Casey's on the River, OR 9/17-19
Oct- Prosser Wine Country, WA 10/15-18
Nov- Fairview RV, OR 11/25-29
Dec-

We also have scheduled space for the Prosser Balloon Festival for 2016. This will be a co-rally with the Puget Sounders Motor Coach Club.

This new approach will hopefully encourage participation from members to volunteer to host and co-host and also facilitate planning for members who are putting together their travel plans for next year. If anyone has a suggestion for a location that they think would make for a good rally **please let me know.**
