## **ELECTRICAL REQUIREMENTS FORM**

As you know, electrical hook ups are of major importance to YOU at a show. Please be very specific as to the requirements for **each piece of equipment** you will be plugging in, so as to avoid power outages and blown fuses. We need details of the equipment you are using as well as the Watts, Amps AND Volts for each piece of equipment! Please note also that 220 volt lines are an additional \$100 per line. You will be charged separately for these lines .

Only 110 lines are included in the participation fee.

\* Electrical Requirements must be submitted one week prior to show day \*
