During this period, athletes must achieve all required selection criteria (Schedules 'A', 'B' and 'C') including the minimum qualification standards as outlined below in Schedule 'A' in order to be eligible for selection.

SECTION 2: QUALIFYING COMPETITIONS AND QUALIFYING SCORES

Only scores of 68 or higher achieved in eligible classes during the qualification period will be used for selection and ranking purposes. A rider may qualify up to three (3) horses.

In order for a competition to be eligible as a qualifying competition, the following conditions must be met:

- The competition results (copies of the full score sheets from each Judge) must be submitted to Equine Canada within 5 days of the competition.

Any intentional misrepresentation of scores will eliminate the horse/rider combination from both the qualification process and consideration for team or individual participation in the NAYRC.

SECTION 3: MAINTENANCE OF TEAM PROGRAM REQUIREMENTS

All riders who have met all required selection criteria (Schedules 'A', 'B' and 'C') within the qualification period must continue to fulfill their Equine Canada National Team program requirements in order to remain eligible for selection.

The current selection criteria and procedures are based on the latest information available to EC. Any required change in the selection criteria and procedures caused directly by a change in the Equine Canada and/or FEI rules and regulations applicable will be distributed to all affected riders as soon as reasonably possible.

SECTION 5: MEETING CRITERIA DOES NOT GUARANTEE SELECTION
