Because our staff is very busy during the summer, we need to have the volunteer reading log table staffed during all hours the library is open. We are offering volunteer opportunities to those Teens who are able to work a set schedule for the entire Summer Reading Program, which runs from June 2nd until August 1st . This means you will be assigned specific days and times, and you will have that same schedule for the 6 weeks of the program.

I am agreeing to be available to work any of the above-circled selections, if chosen for that time-slot.
