File completion deadline for the January 2016 ASN Bridge class is **OCTOBER 1, 2015**. File completion covers Admissions Requirements 1 – 8 below. Applicants also must have either taken & passed the Pre-Admissions ASN Bridge HESI exams or at least signed up to take these exams by the file completion deadline. Students will be notified by mail as to their acceptance status once all file evaluations are complete. **Acceptance/Denial letters will be mailed out: November 1, 2015.**

ADMISSIONS REQUIREMENTS

1. Submit SRTC Admissions Application and \$20 Application fee. *(If applicable, returning students are not charged a fee.)*
2. Submit proof of Age. *(Must be 18 years or older at the time of program entry.)* Either a valid state driver's license or birth certificate is acceptable.
3. Have official transcripts for high school diploma/GED **AND** all colleges and/or technical colleges (transferable credit or not) mailed to the SRTC Admissions Office. Southern Regional Technical College, 15689 US Hwy 19 N., Thomasville, GA 31792.
4. Submit a copy of an active unencumbered L.P.N. License.
5. Have acceptable Admission Placement Exam scores (no older than 5 years) OR have successfully completed with a "C" or better transferable English and college algebra (College algebra must not be older than five (5) years) from a regional or national accredited college, university, or other postsecondary institution recognized by the US Department of Education at the time the coursework was completed. These courses must be the equivalent to the entry-level English and Math required for the Associate of Science in Nursing Bridge program. If the College Algebra class is over five years, you will be required to take the Admissions Placement Exam (APE). If the algebra score is program ready, then the applicant will enroll in college algebra. If the algebra score does not meet the program ready score, then the applicant will be required to enroll in a Learning Support algebra course before taking the college algebra course.
6. Minimum prerequisite GPA requirement: A minimum GPA of **2.8** is required for the prerequisite courses in order to meet admission requirements for the program. If a pre-requisite course has been taken twice – only the last attempt is counted for prerequisite GPA purposes only. Successful completion of a prerequisite course means making a grade of 'C' or better. You may not attempt any prerequisite course more than twice within a five (5) year period. Courses exempted and articulated do not carry points. **ASN Bridge Program prerequisite courses are as follows: BIOL 2113, BIOL 2113L, BIOL 2114, BIOL 2114L, BIO2117, BIOL 2117L, ENG 1101, MAT 1111, PSY1101, COMP 1000, one of the following Humanities/Fine Arts courses (ARTS 1101, ENGL 2130, HUMN 1101 or MUSC 1101) and a general elective course.**

****While a "C" is a passing transferrable grade, too many "C" grades will not give you a 2.8 pre-requisite grade point average.****

***Scoring for pre-requisite GPA:**
55 points = 3.7 – 4.0
50 points = 3.2 – 3.6
45 points = 2.8 – 3.1

NOTE: BIOL 2113/BIOL 2113L, BIOL 2114/BIOL 2114L, BIOL 2117/BIOL 2117L & MATH 1111 will not be considered if completed more than 5 years before admission to the LPN - A.S.N. Bridge program.

7. Have an overall (cumulative) GPA (Grade Point Average) of **2.5** on all previous post-secondary courses.

***Scoring for overall GPA:**
35 pts = 3.7 – 4.0
30 pts = 3.2 – 3.6
25 pts = 2.8 – 3.1
20 pts = 2.5 – 2.7

***IMPORTANT:** Our 2.5 cumulative gpa requirement means that a gpa will be calculated using **EVERY** course that was taken and used in gpa's at all previous colleges. See example below:

Example: Sally has attended 3 colleges – her stats are as follows:

College	Quality Points	Credit Hours	GPA
VSU	45	18	2.50
TU	23	13	1.76
SRTC	65	24	2.70
TOTALS:	133	55	2.42

Sally's cumulative GPA will not meet the 2.50 requirement – therefore she will not be considered for the upcoming class until she takes additional classes to improve her cumulative (overall) gpa.

□ Five (5) additional points will be awarded to applicants having an Associate Degree or higher.

8. All L.P.N. - A.S.N. Bridge applicants who require **Math** Learning Support courses must pass each course within two (2) attempts. This course requirement is inclusive of all colleges that an applicant has attended and holds a five (5) year time limit. Therefore, any applicant who has had two (2) unsuccessful attempts at the same math Learning Support course, within the last five years, will not be eligible for program consideration. The A.S.N. faculty will advise the applicant that once the first math Learning Support course unsuccessful attempt is more than five (5) years old, he/she may re-apply to the L.P.N.-A.S.N. Bridge Track program.

NOTE: Even if an applicant was unsuccessful in the same Learning Support math class goes on to pass a College Algebra course with a "C" grade or better, the Learning Support math class would still be subject to the five (5) year time limit.

9. All L.P.N. - A.S.N Bridge applicants are required to take the following A.S.N. Bridge Pre-Admission Assessment (HESI) exams, prior to being accepted into the L.P.N. - A.S.N. Bridge program:

- Nursing Fundamentals – 650 (Required Score)
- Psychiatric/Mental Health – 450 (Required Score)

Applicants will be allowed **two** attempts to pass both the Fundamentals and Psychiatric/Mental Health exams. Any applicant that is unsuccessful on the **first** HESI attempt (on either or both exams) will be required to remediate prior to re-taking that section(s) of the HESI exam. Proof of remediation must be provided prior to re-taking the exam(s). *Applicants wishing to waive the remediation requirement will be required to complete & sign an A.S.N. Pre-Admission HESI Exam Remediation Waiver Form prior to sitting for the 2nd exam(s).*

Any applicant that does not attain the required score on one or both of the HESI assessment exams after two attempts, will not be considered for admission into the L.P.N. – A.S.N. Bridge program. Applicants can re-apply to the L.P.N. – A.S.N. Bridge program after waiting one year. At such time, the applicant will re-take the L.P.N. – A.S.N. Pre-Admission assessment (HESI) exams. Applicants will again be allowed two attempts to meet the qualifying HESI exam scores.

NOTE: Student will be required to complete Health Examinations and a Criminal Background report upon acceptance into the program. A current Heart Association Health Care Provider BLS CPR card is required of all students entering the program. No other CPR cards will be accepted.
