### Please check one...

- Oral Presentation Judge: Sit with a panel of judges and scores the teams oral presentations. This job requires some preparation but is very rewarding.
- Team Escort: Walk with the teams guiding them from station to station.
- Competition Timer: Sound horn at the begin and end of each rotation
- Set-Up: Meet on Tuesday, April 27<sup>th</sup> to set-up the stations. Also, meet early on Wednesday, April 28 to help put on the finishing touches.
- Garbage Monitor: The L.I. Envirothon is a green event. In 2009 we had approximately 400 people attend the competition and all but two bags of garbage were recycled. For this job, you would stand by the garbage area and make sure everyone tosses his or her garbage in the correct bin.
- Team/Volunteer Registration: Assist in checking in team and/or volunteers.
- Test Runner: Pick up test at each station after each rotation and bring them to the graders.
- Grader: A behind the scenes job assisting, grading, and double-checking the score sheets.
- Photographer: Take team photographs prior to the competition, candid shots during the competition and group pictures on the winning teams.
- Clean-Up: Assist in the clean up of the competition.
- I'll help out anywhere you need me.
