Dear Families of
        St. Agnes Academy,

        Yearbooks are a time capsule where you can save today's memories to enjoy again and again in the years to come. It is a beautiful way to preserve memories that we create here at St. Agnes.

        This year we again have a creative and hard-working staff, planning and creating what will hopefully be the most amazing yearbook to date.

        We know you are wondering how you can get involved in this project. You can participate by placing an advertisement in this 2016 yearbook. You have many choices of what to do in that ad. You can congratulate your student's class or teacher, or you can advertise your business. Just be sure you get involved to help make this a most memorable year.

        The order form is on the following page. Please print this form, complete it and return it to school as soon as possible. At first, all we need is the confirmation of the size space you want and the check, payable to St. Agnes Academy. The actual advertisement / artwork is not needed until October 23, 2015. Our creative staff will be ready with incredible ideas, if you should require any help.

        We look forward to your enthusiastic support.

Sincerely,
Ms. Benach and
The St. Agnes Academy Yearbook Staff
