## Use this guide to understand and compare our provider networks.

When it comes to finding the right plan for your employees, you need to make sure that the plan you choose provides your employees comprehensive care in a convenient location. That's why it is important to understand Blue Shield's various provider networks.

## Our HMO networks

### Blue Shield of California currently has three HMO networks for Small Group plans

The HMO plans offer a choice of size of provider network so that you can pick the option that suits your company best:

- Access+ HMO® (broadest network) gives members access to more than 38,000 doctors and 320 hospitals.
- Local Access+ HMO (narrow network) gives members access to more than 17,000 doctors and 320 hospitals.
- Trio ACO HMO (accountable care organization, most narrow network) is available in 16 counties and gives members access to a subset of Independent Practice Associations (IPAs), medical groups, and affiliated physicians from our Access+ HMO network.

### Access+ and Local Access+ HMO plan networks

Our Access+ HMO plan offers groups the largest HMO network in our portfolio. Local Access+ HMO plans offer all the same benefits of our Access+ HMO plans within a select (smaller) network, at a lower rate.

Depending on where your business is located, the Local Access+ HMO may have lower rates than comparable Access+ HMO plans. (For a comparison of the Access+ and Local Access+ networks, see pages 5 to 11.)

### Trio ACO HMO plan network

An accountable care organization (ACO) is a network of doctors and hospitals that work directly with payers to share responsibility for providing coordinated care to patients, working together to limit unnecessary spending.

The Trio ACO HMO options often are more affordable than the Local Access+ HMO plan options. With coverage in 16 counties, the Trio ACO HMO plans currently offered in Blue Shield's Off Exchange package offer a more integrated and coordinated care model at a lower rate than our other HMO plans. (For a list of IPAs and counties for the Trio ACO HMO, see page 12.)

# Blue Shield's plan packages

Small businesses may choose to purchase their health plans from one of Blue Shield's plan packages. Small businesses may also purchase Blue Shield health plans from Covered California's Small Business Health Options Program, known as SHOP.

The network providers available to small business customers differ based on where you and your employees live, the type of plan purchased, and the plan package you choose.

## Understanding Blue Shield's HMO plan packages:

---

- 

### Blue Shield of California Mirror HMO Package for Small Business:

---

- 

To see all the health plans in both packages, visit [blueshieldca.com/employer](https://blueshieldca.com/employer).

\* The Blue Shield of California Off Exchange Package for Small Business has 16 plans, 6 of which are HMO plans with a choice of the Access+ or Local Access+ HMO network. If you are an employer located in certain California counties whose eligible employees live or work in the Local Access+ HMO service area, you have the option of choosing any of the Local Access+ HMO plans or any of the Access+ HMO plans, but not both. Please review the Benefit Summary Guide (A16609) for detailed information regarding the Local Access+ HMO service area.

† The Blue Shield of California Mirror Package for Small Business has 7 plans, 6 of which are HMO plans with a choice of the Access+ or Local Access+ HMO network. If you are an employer located in certain California counties whose eligible employees live or work in the Local Access+ HMO service area, you have the option of the Local Access+ HMO plans. If you are located in, and have eligible employees who live or work in, one of the following 7 counties, you have the option of the Access+ HMO plans: Alameda, Butte, Fresno, Imperial, Kings, Madera, and Nevada (partial county). Please review the Benefit Summary Guide (A16609) for detailed information regarding the Local Access+ HMO service area.

# How do they work?

## Q. I'm interested in purchasing an HMO plan from Blue Shield's "Off Exchange" package. What are my network options?

A. Small businesses have a choice of three HMO network plans to choose from: The Access+ HMO, the Local Access+ HMO, or the Trio ACO HMO. If your business is located in the Local Access+ HMO service area, you have the option of choosing any of the Local Access+ HMO plans or any of the Access+ HMO plans; however, you may not purchase these plans side by side. The same applies to the Trio ACO HMO plan(s); if your business is located in the Trio ACO HMO network service area and you choose to purchase the Trio ACO HMO, you may not purchase this plan(s) alongside the other HMO plans (Local Access+ HMO and Access+ HMO). See pages 5-13 to compare the Local Access+ HMO network with the Access+ HMO network medical groups and IPAs. The Trio ACO HMO plan is offered in 16 counties listed on page 12.

## Q. I'm interested in purchasing an HMO plan from Covered California's SHOP or Blue Shield's "Mirror" package. What are my network options?

A. Small businesses in the Local Access+ HMO plan service area purchase HMO plans with the Local Access+ HMO network. Employers in the Access+ HMO plan service area purchase HMO plans with the Access+ HMO network. See the table below for the details.
