BUOB BREAKING NEWS

EDITORS: Caitlin and Ian

NEW NEWSLETTER FORMAT

I hope you enjoy our updated newsletter format. The student reporters were responsible for writing the stories in this edition. Once a month we will produce a "student written newsletter" to inform you about what's going on at school. The students will be given a writing assignment and a deadline (due date) in which their story must be checked by the student editors and emailed to me. It is important that students meet the deadline so that their story can be included — prior to the newsletter going "to press". We welcome any feedback and would be happy to include your feedback in our letters to the editor section of the next edition.

IMPORTANT DATES IN OCTOBER

- 10-2 PTO Meeting 6:30
- 10-2 Market Day Pickup 4:30
- 10-8 Columbus Day, No School
- 10-10 Fire Prevention Week, Fire Drill
- 10-17 McTeacher Night at McDonalds
- 10-19 End of the 1st Grading Period
- 10-19 Teacher Improvement Day No School
- 10-22 through 10-25 Parent/Teacher Conferences

Conferences

Parent/Teacher conferences will be held on Monday October 22-Thursday October 25. We do not send home report cards for the first quarter, so we can take advantage of this time to discuss your child's progress. If you signed up for a conference, your time is written below. If you did not sign up for a conference, I will be contacting you to set a time. I look forward to meeting with you during conference week.

Fashion Report By Connor

It seems like the seasons are changing so fashion is changing. Girls are wearing skinny jeans. People are starting to change shoes as well. Now everyone is wearing sneakers and long socks. Long sleeves or sweatshirts. People are trying to stay warm.

Weekly Weather by Shubam

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday

Sunny	Sunny and cloudy	Sunny	Sunny	Sunny	Sunny	Sunny

Language Arts by Ashanti

In language arts we are learning about wild weather. We are also learning about compound sentences. Like, "My stomach was hurting so my mom said I could miss school." We are also learning about the dictionary. Like the guide words, and words in the dictionary. We are learning about FANBOYS. Language Art is my favorite subject!!!

Math Report By Peter

In math 5B is working on decimals. In this class we are feeling good about our practice with decimals. Almost everybody in class is getting it, but some people need more practice and that's okay. The more you learn the better you'll be at that subject. In math right now we are working on rounding. Rounding numbers and decimals are pretty hard, but for other people it is easy. So that's what we are learning in math.

Music Report By Holly

Hello all, this week the children have been learning about ... space in your mouth , high pitches , And NO old lady humps . We have also listened to many varieties of songs. Besides the songs , those 3(three) steps that I named have been very helpful to the children/kids . We will continue to learn. We are practicing high pitch , and low pitch. We are beginning to sing the 7(seven) notes ... do re me fa so la ti do .I hope your child has had a fun time/ or enjoyed learning music this week and will continue to do that . This is Holly with ... snapping into music .

Social studies: Native American Cultures By Maddie

In social studies this week, we are studying the different Native American cultures, and the 7 different Native American regions in the United States. We have a Native American dwelling project due on OCTOBER 18TH!

Don't forget to bring them, because they are a **MAJOR** part of our grade in social studies. And remember, they have to be made of all natural items found outside. You can use almost anything for the base, and you can use glue if you really need to. Don't Forget!!!! And study for the social studies test too!!!!

Science By Ian

Last week in Mrs.Buob's science class we worked on figuring out why people put salt on icy sidewalks. First they made a hypothesis. Then they got two ice cubes and put salt on one. Then they compared answers and found out that the salted ice cube melted faster than the one without. That's what Mrs.Buob's science class did last week.

Art Report By Grace

Last week in art on Monday Caitlin was smartest artist. Art has been going really great every body has good drawings. We all got our jobs Ian announces smartest artist. We all have fun in art because we all like painting, drawing or something about art. We also will have a great year of art.

P.E. News By Daqwan

Today we have finished flag football. Today in P.E we have just started soccer and learned three drills. Next time in P.E we will play against each other to see with team will win. I know everyone loves P.E because I look at their face a see the excitement.

Lunch/Recess Report
by Amir

Soccer is back rather than basketball. There was only one witness to see it. Lunch is going great. We noticed there is a new drinking fountain.

Sports Report By Aaron

Last weekend the bears won against the rams. Jay Cutler threw a interception the rams picked it off, fumbled it, Hester picks it up, Hester fumbles the ball, then the Rams fall on it.

Last week Cubs and Cardinals played each other. Cardinals were winning 2 to 4 in the 9th inning. Barney hit a 2 run homer for extra innings. Then cubs hit a RBI to win 5 to 4.

School Report By Nick

Its a good time to review the rules. Be safe and walk in the building. Be respectful don't talk back to anyone. Be responsible don't talk when your not supposed to. Lets try that next week go Stevenson Tigers !!!!

Media Center Report By Hailey

We have been working on a couple of things in Library last week. We did a Discovery Assessment Test. We also talked about the Bluestem award books. Make sure to read enough Bluestem award books, so you can vote on which one you think is the best! Also make sure to keep reading or start reading thirty(30) minutes a day because remember it's homework. So explore and have fun on reading books with monsters, jungles, or animals.

P.S. We also need to be on our best behavior because in Library we'll be having some substitutes.

Artist of the week:
Brianna

Comic Strip By Devon

Book Review
By William

I Read a Awesome Book called Goosebumps Horror Land Monster Blood for Breakfast. It is about a boy who threw a rock at his teachers car. Then he CHEATED on a test. Then he started a fight. That was 3 strikes and you're out so he gets suspended from school for a week. What Horrors await this boy. Read it and see.

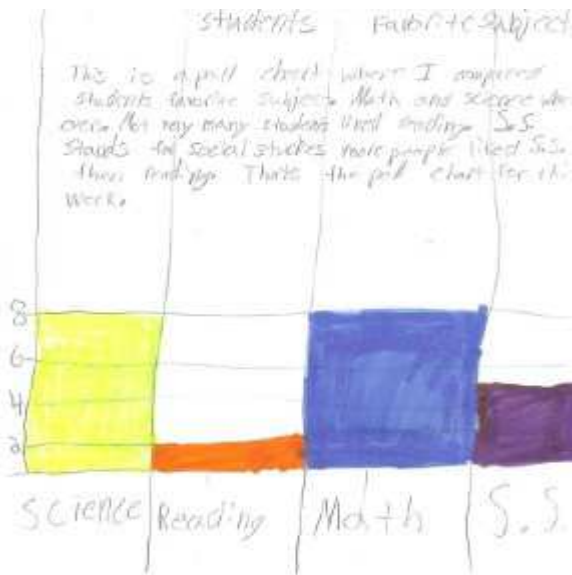

Movie Review By Miracle Page #

DEADLINE NOT MET

Dear Abby,
I STINK but my mother and father won't let me have deodorant
And I REALLY need it Badly
Sincerely,
NEEDS DEODRANT

Dear NEEDS DEODRANT,
Here is your solution,
Take a shower every night
It will stink to take one every night
But at least you won't
Sincerely,
Abby **(Caitlin)**

Dear Dave,

I have a problem. Last week. I got a F on my math test. If I get another F my mom will take away my game system. What should I do? I hope you can help me.

From, Need Help in School

Dear Need Help,
First, you should pay attention very well. Second you need to stay up late studying. Third you will need to study in any free time you have. Fourth ask lots of questions if needed. Fifth in the middle of class don't use the restroom. I hope all of this helped good luck
From, Dave. **(Koby)**

Weekly Poll
By Brady

Now That's Funny
By Elizabeth

What do you call a snake with Snickers?

snicket

What do you call a cheetah with a deer?

cheater

POETRY CORNER

Halloween By Hallie

Halloween
There are scary things
around
you
When you turn the
corner someone says
BOO!

I know I'm scared
but you are too!

School By Mohamed

THE TURTLES ARE GROWING
WHILE OUR BRAINS ARE FLOWING
DURING LUNCH ARE STOMACHES ARE
ROARING
AFTER SCHOOL WE ALL ARE SNORING
MRS. BUOB SAYS AFTER P.E WE ARE
SMELLY
BUT IT IS NOT ARE FAULT REALLY
IF YOU WANT TO HAVE KNOWLEDGE YOU
HAVE TO GO TO COLLEGE
WE ARE A BLUE RIBBON SCHOOL
THAT SHOWS HOW MUCH
STEVENSON TIGERS RULE.
