HOROSCOPE

FEBRUARY 7, 2015 - FEBRUARY 13, 2015

ARIES • (Mar. 21- April 20)

You should be putting in some overtime. Voice your opinions and contribute to the debate. You'll be tempted to spend extravagantly today.

TAURUS • (Apr. 21- May 21)

A new relationship can be yours if you get out with friends. Don't put limitations on yourself. Correspondence may not clear up issues.

GEMINI • (May 22-June 21)

Do not let in-laws upset you. Your involvement in organizational events could open doors to new and exciting opportunities. You may have to explain your actions to your family.

CANCER • (June 22-July 22)

You need an outlet. Try to keep an open mind. Make amends if you can.

LEO • (July 23-Aug 22)

Drastic changes regarding your personal attitude are evident. The information that you gain can be used in every aspect of your life. Those you care about may oppose your ideas.

VIRGO • (Aug. 23 -Sept. 23)

Don't allow personal problems to conflict with professional duties. You will learn a great deal from people with different cultural backgrounds. You may have more to do with children today. Keep an open mind.

LIBRA • (Sept. 24 -Oct. 23)

Call siblings or old friends to catch up on recent news. You will have a childlike approach today, big hearted and full of spunk. Don't start a dispute unless you're prepared to accept irreversible results.

SCORPIO • (Oct. 24 - Nov. 22)

Family outings or a quiet stroll through the park will lead to stimulating conversation and a closer bond. You must not allow them to force you to rush. Your hypnotic eyes will capture the hearts of those who interest you.

SAGITTARIUS • (Nov. 23 -Dec. 21)

You can't help everyone. Your lack of interest in your partner is a problem. Don't let your emotions interfere with your professional integrity.

CAPRICORN • (Dec 22.- Jan. 20)

You might find that coworkers will support your endeavors. Business trips might prove unproductive.

AQUARIUS • (Jan. 21 -Feb. 19)

Avoid confrontations with coworkers who aren't pulling their weight. You would be wise to socialize with as many people as possible. Sort situations out as best you can. Watch your spending habits.

PISCES • (Feb. 20-Mar. 20)

Try to think things through. You can buy or sell if you're so inclined. Don't overextend yourself in the process.

Avoid A Breakdown With A Belt Check

You may not see them, or know much about them, but engine belts are always working to keep your vehicle moving. Losing a belt can mean immediate trouble for the engine and a breakdown for you. The Car Care Council recommends motorists "be car care aware" and review the owner's manual to ensure that belts are inspected and replaced at the proper intervals.

A vehicle's belts are essential to the cooling, air conditioning and charging systems of the engine. Serpentine belts are used to turn the water pump, alternator, power steering and air-conditioning compressor. Older cars use V-belts for various accessories and failure of this belt could strand a driver.

"You don't want to be stranded because of a bad belt that could have been diagnosed with simple preventative maintenance," said Rich White, executive director, Car Care Council. "If the serpentine belt fails or breaks, the engine will fail to run and you may be stuck. The Car Care Council recommends replacing belts at specified intervals to save you from the hassle of a breakdown."

Results of vehicle inspection events conducted around the country during National Car Care Month in April and Fall Car Care Month in October revealed that 12 percent of vehicles had belts in need of replacement.

Always check serpentine and V-belts for looseness and their overall condition. Replace V-belts when cracked, frayed, glazed or showing signs of excessive wear. Noise in the belt system is a sign of wear and the smell of burnt rubber can indicate a slipping belt. When changing a serpentine belt, it is important to check all the components in the serpentine system as tensioners and pulleys wear at the same rate as the belt and should be inspected.

Typical serpentine belt replacement is 60,000 to 90,000 miles. Typical V-belt replacement is 40,000 to 50,000 miles. Replace timing belt per interval specified in the owner's manual.

Hidden Treasures Around the Jersey Cape A Guide to Shopping in the Area!

Win a \$10 Gift Certificate

to North End Thrift Shop 901 Bayshore Rd., Villas

Just Answer This Week's Question:
Which continent has the fewest flowering plants?
Please Email Response to tvjerseycape@comcast.net

No Winner from Last Week | The question will remain the same.

ASK THE NJ THRIFT MAN

Cape May County has always been a great place to shop for antiques and other unique treasures. Many new shops have been opening up which offer different items daily. No matter if you're a seasoned collector, dealer or just out shopping for the day, you have a variety of shops to explore. Check out the map on the next page for a shop near you.

Hello, I am the New Jersey Thrift Man. My purpose is to reuse, repurpose and relove those hidden treasures that I find around the area, or I find when I do a house clean-out. I will be answering your questions and writing articles about my job and experiences dealing with collectables, antiques, toys, furniture and more!

Last week's question came from Sam in North Wildwood. Sam asked, "Do you have any antique or retro toys?"

Yes we buy and sell antique and vintage toys. We currently have a large collection of vintage Matchbox cars from the 1970s. Most of the matchboxes are in excellent new condition. We also have thousands of vintage comic books on sale.

This week's question comes from Ian in Cape May. Ian asks, "Do you sell any artwork like paintings, sculptures, etc.?"

Send me your questions. Do you have something you always wanted to find out about? Interested in finding out more about what I do? Have a thought or concern about the industry? What kind of items or appliances should I buy used? Question about Ebay or online sales, Craigslist? Best way to buy or sell an item? Send in your questions or pictures and I will do my best to answer them. Send them to tvjerseycape@comcast.net or northendthrift@gmail.com, or you can also ask them by calling 609-741-4132.

WE ARE NOW BUYING AND SELLING GOLD AND SILVER, JEWELRY AND COINS.
