

LEVEL COMPENSATION FUND LINEUP (50 BPS)

STEP 1: Please indicate which funds to include in the plan's investment lineup by checking the fund in the column with an "X" to the left of each fund. A maximum of 15 mutual funds are allowed, plus one Money Market fund, from the list below. Managed Strategy and Target Date funds in the same fund family are considered one fund option.

STEP 2: Plans are required to select a default investment (mark the box with a 'D') and are encouraged to choose one of the highlighted funds (shaded in grey) since they meet the criteria of a Qualified Default Investment Alternative. Please consult your financial advisor for investment advice.
