RAGING WATERS FIELD TRIP – SESSION 1A/1P

Date: Tuesday, July 5, 2016

Time: 8:00 am - 5:00 pm, Normal drop-off and pickup location at Seascape.

Place: Raging Waters San Dimas, 111 Raging Waters Drive, San Dimas, CA 91773

The Session 1A/1P water park field trip to Raging Waters will be on Tuesday, July 5, 2016. This is a bus trip for the Junior Guards ages 9-16 who have signed permission slips. This is a long day with long bus rides at both ends. Please make sure Junior Guards have sunscreen, towels, water, clothing for the bus ride, and shoes or sandals for the walk to and from the bus.

The cost of admission is covered by the program, but Junior Guards may want to bring money for lockers and food. Please do not bring items of value on this trip such as electronics or video games. If your child does bring a phone or other electronic items, the Junior Lifeguard Program is not responsible for their safe keeping. Lockers are available for rent.

The supervision and safety of your children is always our primary concern. We stay together as a group until we are inside the park and establish an area where we maintain continuous supervision throughout the day. At this point, Junior Guards who are 12 years old or older are free to explore the park in unsupervised groups, or they can opt to spend the day in a supervised group with one of our staff members. Junior Guards who are 11 years old or younger are organized into small groups and spend the day exploring the park under the supervision of their Instructors and Interns.

Visitors to the park are allowed to bring backpacks but not coolers. Be aware that Raging Waters has a policy against bringing food into the park. I don't know the extent that the park will go to enforce this policy, but lunches buried in the bottom of backpacks usually make it into the park. If you have any questions contact the Junior Lifeguard Office at (858) 720-4445.
