Double the Benefits of your Citibank Credit Card

Why not double the benefits of your Citibank Credit Card with an Additional Card?

The convenience of an Additional Card...

Share the privileges and security of your Citibank Credit Card with someone you care for. All transactions are recorded on the one statement, so you can see the combined expenditure of both Cards at a glance every month. You'll receive Citibank Rewards points on the purchases they make as well. The person you successfully nominate* will have their own personal Card, but will share your credit limit.

...and the security of PhotoCard**

Citibank PhotoCard provides you with additional security and instant recognition and is available free to all Citibank Cardholders. Your photo and signature are digitally embedded onto your Card, making it virtually impossible for anyone else to use. This option is available to you and your Additional Cardholder.

The choice is yours

It's easy to benefit from either a PhotoCard or an Additional Card, or both. Simply complete the form overleaf.

* Government legislation requires that all signatories to an account are identified through an 'Identification of Signatory' check. Please also complete a 'Reference from an Acceptable Referee (s.21)' form to send with this application.

** PhotoCard and imprinted signature not available on Citibank iCard; imprinted signature not available on Citibank Platinum Card.

Please note • The annual fee of \$10 for a Silver Additional Card, \$30 for a Gold Additional Card or \$90 for a Platinum Additional Card will be billed on your next statement • The Primary Cardholder is responsible for all debts incurred by the Additional Cardholder • The Card may be cancelled at any time by phoning Citibank • Cancellation may not be effective until the Card is surrendered • Additional Cards will not be issued to individuals under 16 years of age • PhotoCard photographs cannot be returned • Allow up to 14 working days for your PhotoCard(s) to be issued.
