

Text4baby

makes it easy to get important health and safety information, completely for **FREE**. The service sends personalized information directly to you, at the exact time you need it.

Text BABY (or BEBE for Spanish) to 511411 to receive three free text messages a week timed to your due date or baby's birthdate.

"I am a first-time mom and Text4baby helped me know what questions to ask the doctor while pregnant and now when I take my baby to the doctor. It has also helped me know information about milestones, breastfeeding, car seats and more. Thanks Text4baby!"

- Shannon, Text4baby mom

Text4baby is completely **free** thanks to The Wireless Foundation and all major wireless carriers. Even if you don't have a texting plan or if you have limited texts per month, you will get these messages at no cost.

Moms Love Text4baby

93% of Text4baby moms would refer the service to a friend.

Text4baby moms feel

3x

more prepared for motherhood than non-Text4baby moms.

74%

of participants said the text messages informed them of medical warning signs they did not know.

Women who use Text4baby feel more **CONFIDENT** because they are armed with the **KNOWLEDGE** that leads to better health for them and their babies.

To sign up for Text4baby:

- 1 Text BABY (or BEBE for Spanish) to 511411
- 2 Enter due date/baby's birthdate and zip code

To set up a free appointment reminder:

- 1 Text REMIND (or CITA for Spanish) to 511411
- 2 When prompted, enter the appointment date with no space or words after (e.g. 101213)
- 3 You will then be prompted to enter a short description of the appointment (e.g. Dr. Parker at 9am)
- 4 You will receive a text reminder three days before and the day of your appointment!

Other features:

- Text STOP to cancel service or HELP for help
- Text UPDATE to change due date/zip code
- Text LIKE to share feedback on messages you enjoy

Sample messages:

We can't believe baby is now 11 months! Have you noticed baby starting to imitate you? It's so cute! For more milestones visit text4b.org/008. Is your baby taking her first steps? Going barefoot indoors can help her learn to balance. Put gates at the top & bottom of steps to help prevent falls.

Your baby is growing fast! Baby is now the size of a lime & can open its mouth & move its tiny hands. Get info on baby's growth: text4b.org/001

Back to work? You can pump milk at work to save for later. Breastfeeding helps you & your baby re-connect at the end of each work day. Medicine you take while breastfeeding may enter your milk. Ask a Dr, midwife (CNM/CM) or lactation consultant before taking any meds. Or call 866-626-6847.
