Math 8 is the common core grade level class for 8<sup>th</sup> grade.

**Suggested Supplies:** pencils, erasers, correcting pen (red or green are preferable), LARGE spiral notebook, lined paper, graph paper, and scientific calculator (NO GRAPHING CALCULATORS). **If you need help with supplies, please contact me.**

**Grading:** Homework will be assigned on a daily basis. Assignments are designed with purposeful problems to give you practice on topics we have discussed in class. There will usually be a test or quiz every week. If you miss a test or a quiz, you will be responsible for making arrangements to making up that test or quiz after school. A midterm will also be given at the end of each semester. The midterms will cover everything we have learned up to that point in time. Students are expected to participate in whole-class and small group discussions to build a collaborative learning community. \*\*\*\*\***Note: Tests and quizzes will not be released to take home.**

## Homework Standards:

- Use lined paper or graph paper/notebook.
- Homework **must** be done in pencil.
- **Correct Heading**
  - Name, period, and date in the top right hand corner of every paper.
  - Section number, page number, and problem numbers on the first line.
- **Write out all problems** – Include any diagrams. For word problems, summarize question before answering
- **SHOW ALL WORK!!!**
- **Box all answers** – Box, circle or highlight each answer. Graphs do not need to be boxed.
- **Skip lines** – Solve problems in vertical columns and leave one space between each problem.
  - Draw a line through mistakes and then show all corrections in pen to the right of all problems that were not completed correctly.
  - Papers should be in good condition when turned in. Good presentation is always important.
  - All problems must be attempted with adequate work to receive full credit.
