Summer fun for kindergarten and preschool children...in air conditioned classrooms!

NEW MORNING CAMP is a summer program designed especially for preschool and kindergarten girls and boys. The regular camp day begins at 9:00 am and is filled with games, songs, crafts and water fun for the young child. Each day is planned to include periods of quiet activities to balance the more physical times. The children will be provided with a morning and afternoon snack. They will need to bring a lunch in an insulated bag or container to be eaten at camp. The regular camp day ends at 2:00 pm.

Preschool camp sessions in June and July are offered as well. Please see our Preschool Camp brochure for the six preschool camp sessions taught in June and July by the regular New Morning classroom teachers. August sessions will be taught by a mix of preschool and school age staff, and offers a greater opportunity to interact with school age peers.
