Upon review of our records, your independent status was determined based on your answer to question 54 or 55 on the FAFSA. Therefore, you are required by federal regulations to submit court documentation verifying this status. Please check the appropriate box below and submit the required court documentation. Failure to comply with this request in a timely manner will significantly delay the processing of your financial aid application.

Important Note: The definition of legal guardianship does not include your parents. The documents submitted must come from a court located in your state of legal residence and must be signed by the judge who presided over the case.
