

- ❖ Log into your account with the National Student Loan Data System

Go to: www.nsls.ed.gov (you will need your FSA ID# to access your account; same FSA ID used for FAFSA now)

While there, fill in the following:

My current total student loan debt per NSLDS is : _____

Students should be aware of the amount they have taken on in student loan debt and be aware of the potential monthly repayment.

- ❖ Access the student loan repayment calculator. If you began repayment today, could you afford it?

Go to: www.finaid.org/calculators/loanpayments.phtml.

While there, fill in the following:

If I began repayment today, my monthly payment would be :

Student Name _____ **Soc Sec. #** _____

Be Smart.. Borrow Cautiously.. Be Prepared!
