

2014
CELEBRATION OF
ACHIEVEMENT

Together, We Transform Lives.

Family Tree's 21st Annual Celebration of Achievement fundraising dinner not only celebrates the outstanding accomplishments of individuals and families who have created lasting, positive change in their lives, but it also highlights Family Tree's innovative, interconnected approach to ending child abuse and neglect, domestic violence and homelessness. As a vital part of the Denver metro area for over three decades, we understand the power of partnerships and we know we cannot address these issues alone. With your support, we can change how individuals, families and communities see, respond to and overcome these issues now and for generations to come, because *Together, We Can Transform Lives.*

Join us on **Thursday, June 5, 2014** at **PPA Event Center**, 2105 Decatur Street, Denver and witness inspiring stories of remarkable clients like Jorja Bennett.

Stories of Transformation - Jorja Bennett

For Jorja Bennett, the warning signs of domestic violence in her relationship were visible from the start. Her partner's arrest record filled with domestic violence and stalking charges. His extreme jealousy. And his history of violent mood swings. The relationship lasted more than four years and although the marriage was sprinkled with good times, they didn't last long. Jorja attempted to leave the relationship at least six or seven times, with no success. Where is Jorja today? Watch her emotional story >>
