82nd ANNUAL FAR WEST SKI ASSOCIATION CONVENTION
June 12-15, 2014, Bend, Oregon

DELEGATE REGISTRATION INSTRUCTIONS

Complete the registration forms as described below in their entirety.

1. Clubs: Assign a Delegate Chairperson and Convention Delegates

Convention delegates are those who will have voting privileges at the Sunday business sessions. It is very important that they be designated as voting delegates and attend the Sunday sessions. FWSA changed the registration process several years ago to Individual Registration. In other words, individuals submit their Registration Form and fees directly to the Convention Registrar, instead of the ski club collecting all checks and submitting one club check. The ski club will still need to submit their Delegate Credentials Form to the Convention Registrar. The registration materials are also available in PDF format on the Convention website at www.fwsa.org.

2. Registration Form – One for Each Attendee

Enclosed are copies of the Convention Brochure with the Registration Form. Each individual attending the FWSA Convention from your club fills out the Registration Form and mails the form and check to Karen James, 1812 Vickers Drive, Glendale, CA 91208. They need to record their registration selection(s) on their Individual Registration Form. ***It is very important that the registration type (i.e., Delegate, Alternate Delegate, Non-Voting Delegate or FWSA Direct Member) be marked on the Registration Form.***

3. Online Registration (New This Year)

Convention attendees have the option of registering on-line this year. Go to the 2014 Convention site on www.fwsa.org.

4. Delegate Credentials (Affiliated Member Voting Bloc) Form

- Refer to the "Affiliated Member Voting Bloc Schedule" on the form to calculate the number of voting delegates your club can register for this year's Convention based on your current number of members.
- Record the names of the designated voting delegates to be registered from your club.
- **You must attach your Club's current Member Roster (names only, please) to your Delegate Credentials Form.**
- DO NOT include non-members or prospective individuals who are pending full active membership in your club.

Note: Delegate numbers will only be issued to those:

- Who are listed as a member on your Club Roster.
- Who are listed as a Voting Delegate on your Delegate Credentials Form.
- Whose payment of their Convention Registration has been received by the FWSA Convention Registrar.
- Whose Individual Registration Form has been submitted to the Registrar.

5. Optional Activities

Delegates can register for the optional activities **NOW**, on the Registration Form anytime prior to the **May 9 deadline**. Some of these activities are expected to sell out, so delegates should not delay in sending in their payment.

Make checks payable to FWSA. Please send the Delegate Credentials Form to:

FWSA Convention Registrar, c/o Karen James, 1812 Vickers Drive, Glendale, CA 91208.

Convention Delegation Chairperson:

- Classify all club delegates as voting or non-voting based on each delegate's commitment to attend the Sunday business meeting. Delegates who do not intend to be at the business meeting should be classified as non-voting.
- Inform each delegate of their individual responsibilities, general Convention program and special invited guests.
- Remind any of your members who are attending the FWSA Convention for the first time to attend the Convention 101 Orientation on Friday, June 13 from 5:00 - 5:30 PM in the Cascade Convention Center Lobby.

Convention Delegate Responsibilities

- Participate in voting on Sunday during the business portion of the Convention.
- Be cordial and respectful to invited guests and industry representatives.
- Respect the industry seating arrangement at each table for Saturday lunch and dinner.
- Display honesty and integrity in representing your ski club to the industry.

Discover the town of Bend like a local! We'll orient you by providing a complimentary tour of Bend before heading up to Mt. Bachelor Ski Resort. Here you'll be welcomed with a presentation about the ski area before exploring the property. Mt. Bachelor is happy to host a hearty lunch before you head back to town. - 8:00 Meet at The Riverhouse. Tour of Bend and Mt. Bachelor Ski Resort. Complimentary lunch provided.
- 12:00 Optional Activity; choose one of the options below. Transportation provided. Optional Activities will meet at the West Village Base Area at Mt. Bachelor Ski Resort. Optional Activities:

CANOEING THE HIGH CASCADE LAKES—\$60 per person (includes transportation, guide, gratuity, canoes, and gear)

Canoe the glassy waters of a pristine mountain lake. Explore the basaltic lava shores, which spilled over Mt. Bachelor's 9,000-foot slopes, spewing steam as it collided with frigid mountain melt-off from the Three Sisters. A forest walk and later a swim for the hearty can happen on the sandy shores of the lake!

While underway, our guides will share fantastic information on the natural and cultural history of the area. Combined with the magnificence of the landscape, these make for a journey to be long remembered. Make sure to wear shoes that can get wet and dress in layers. A water bottle is good to have as well as a camera.

GUIDED MOUNTAIN BIKING WITH COG WILD—\$90 (plus 15% gratuity)

If you enjoy mountain biking and want to ride the best singletrack in Central Oregon, this is your tour! Beginner, intermediate or advanced rider — don't worry, you will only ride with riders of the same level on a ride designed specifically for you — each day is different!

With Central Oregon having hundreds of miles of singletrack, Cog Wild will make sure you get your fill of banked turns and fast descents — or whatever else you are interested in riding.

ABOUT OLD MILL DISTRICT

The Old Mill District is an area formerly occupied by two lumber mills in Bend, Oregon.

Encompassing approximately 270 acres along the Deschutes River, the Old Mill District is now a mixed-use area known for its shops, galleries and restaurants.

The area underwent significant development since the mid-1990s, by developer Bill Smith. He maintained elements of the original buildings, including the area's three signature smokestacks.

There are nine historically renovated buildings on the property. The oldest is the Little Red Shed used to store fire equipment and is now Dewilde Art Glass.
