How did you hear about the Clean Air & Sustainability Awards? _____

Describe your air quality environmental sustainability efforts.

Please provide concise answers to the following questions and any other information you feel would help the judges understand your efforts (spreadsheets, newsletters, signs, brochures, drawings, etc.).

Provide a project title and description.

Please provide a brief overview of the project implemented, the time period, and any employee participation or outside partnership developed. Be sure to include the project goals and any innovative technologies or methodology used. Use this space or provide a description on a separate sheet, no more than one page.

Clean Air & Sustainability Award Application

Provide measurable outcomes and outputs.

What are the quantifiable effects of the efforts of your company or organization (type and amount of emissions reduced, money saved, numbers impacted, etc.)?

Describe community involvement.

How have the effects of your company or organization positively impacted the community? Please detail community efforts with which your organization has been involved.

Provide evidence of commitment.

Provide a brief description of the environmental programs, activities, and accomplishments of your company or organization.
