

PART I

Post-training evaluation questionnaire

1. Please circle all that apply to you:

MD	DO	PA	NP	PhD	RN	LCSW	MSW	DSP	Guardian	Administrator	CRMA	Medical Assistant	Medical Support Personnel

2. Please circle one that applies to your practice environment:

Family Practice	Paediatric Practice	Internal Medicine	Hospitalist	Emergency Medicine	Dental Practice	Specialty Practice

3. During your medical training did you receive specific training on care management of individuals with intellectual and or developmental disabilities?

4. Do you currently care for patients with an I/DD

5. On a scale of 1-5 what is your comfort level with developing an appropriate care plan for individuals with I/DD

6. Are you familiar with all agencies that can provide resources and advocacy for individuals with I/DD in the State of Maine

7. Please identify any barriers you perceive in implementing these changes? Cost, lack of time, lack of support, patient compliance, reimbursement issues

8. Will information gained from the training change the way that you deliver care to patients with I/DD?

9. If yes, how will you change your practice?
