The Escanaba Department of Public Safety and Community Foundation for Delta County have teamed up to host the Annual Escanaba Department of Public Safety Community Foundation Open with all proceeds going to the Community Foundation for Delta County.

The Community Foundation for Delta County was established in 1989. The Foundation is a registered 501(c)(3) nonprofit charitable organization.

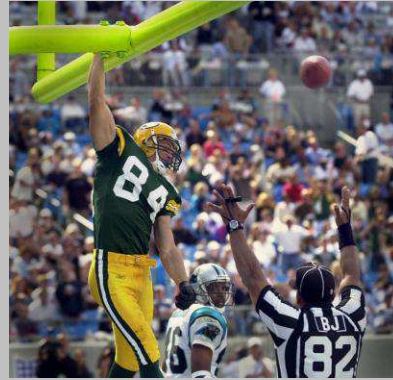

The Foundation's mission is to better the lives of area residents, now and in the future. They will provide leadership including growing and managing permanent endowments from a wide range of donors and making grants to meet changing community needs.

The Community Foundation has a nineteen member board from all areas of Delta County; a full-time Executive Director and support staff. It manages over 135 separate funds and continues to grow.

Last year alone, the Foundation was able to grant just over \$702,000.00 to eligible non-profits and units of government within the community. With a broad mission statement, the Foundation is able to adapt to the ever changing needs of the community.
