

Valley Crossing Science Fair

Friday, April 5 - 6:00 to 8:00 p.m.

We are excited to see what our scientists at Valley Crossing can share with us!

There are several ways you can participate in the Science Fair:

1. Experiment Exhibit - Show or demonstrate your experiment.
2. Invention Exhibit - Present your newly created invention.
3. Poster Display - Display an interesting fact or event.

After we receive your entry form below, we'll e-mail you a packet with detailed information on the rules, scientific method, evaluation of your entry and specifics on the Science Fair evening. That packet is also available on the Science Fair page of the VCCS website.

Science Fair Chairs - 2013

Jamie Mair (mairs2000@comcast.net) and Cristina Ferraris (cristinaferraris@msn.com)

YES! I WANT TO PARTICIPATE IN THE SCIENCE FAIR

(Please return this form to the office by March 8, 2013)

Please print clearly

Student Name _____ Grade _____ Teacher _____

Parent Name _____ Phone _____ Email _____

I am part of a team with these students: _____

Project Title _____

_____ I would like to do an Experiment Exhibit.

_____ I would like to do an Invention Exhibit.

_____ I would like to do a Poster Display.

_____ I will need electricity.

Parents: We need your help! Overall, we need additional support with parts of our planning, and we need help the evening of the event.

_____ I am willing to help with overall co-ordination of the Science Fair.

_____ I would like to be an evaluator - We need 20 parents who love science for this job. You will meet with a minimum of 4 students and evaluate their projects on a simple one page form. This job is from 6:00 to 7:30 p.m.

_____ I will be available to help on Friday afternoon from 3:30 to 5 p.m. to set up tables.

_____ I can help work at the registration table helping students check-in. This job is from 5 to 6 p.m. We need 2 parents.

_____ I can be a greeter/usher inside the gym and show students where to set up. This job is from 5 to 6 p.m.. We need 2-3 parents.
