Were you in satisfactory communication with the program coordinator before the event?

Describe the meeting facilities:

Was the AHF mentioned during the program?

What type of people attended this program (elderly, students, men, women, etc...)?

How many people were in attendance (your estimate)? \_\_\_\_\_

Do you sense that this program was well promoted?

How was the question and answer session? Was the audience responsive?

What was the best aspect of this particular experience?

Is there anything about this experience that should have been changed?

Other comments and suggestions: (Please use the back of paper if necessary.)
