**Important Messages:**

- If you have not brought in your school supplies, please do so as soon as possible.
- mCLASS testing begins this week and the results will be sent home once I have completed testing the entire class.

I am very impressed with our class so far and look forward to a great year! Please remember that we are a team. We need to work together to help your children reach their full potential. This two-sided weekly homework assignment sheet will be sent home on Mondays. This is one way that we can communicate with each other. Please make sure that your child completes all assignments. After you have checked their work, please sign next to parent signature. All paper assignments should be turned in as completed. The homework assignment sheet, with your signatures, will be collected on Fridays. Please make sure that you're checking your child's folder and that your child is practicing the back of this page daily. Items in the "Keep at Home" side can be removed. The items in the "Return to School" side should be returned to school as the dates specify. Weekly materials, such as Spelling lists, should remain in their folders until Friday. They can then be removed. **Please make sure that your children are bringing their books and homework sheets back to school every day.**
