(1) Fourth Account Current, (2) Report of Conservator and Petition for it's Settlement, and for (3) Allowance of Attorneys' Fees and Costs

		JOSEPH KALASHIAN , Brother and Conservator of the Person and Estate, is Petitioner.	<p>NEEDS/PROBLEMS/COMMENTS:</p> <p>1. It appears that there was a change in form of assets during the accounting period. At the beginning of the account period the estate had cash assets of \$70,301.99, but at the end of the account period, the cash assets were only \$7,245.84, despite having receipts greater than disbursements. It appears that one account that was cash at the beginning of the account period was converted to an annuity (non-cash asset). Pursuant to Probate Code § 1063(b) - If there were purchases or other changes in the form of assets occurring during the period of the account, there shall be a schedule showing these transactions. 5 Virginia Esparza (Estate)

Case No. 13CEPR00398

**Atty Wishon, A. Emory (for Executor Diane Esparza)
Atty Roberts, Gregory J. (for Objector Ray A. Esparza)**

Regarding Proposed Order Approving First and Final Account and Report of the Status of Administration and Petition for Settlement Thereof; For Allowance of Statutory Attorneys' Compensation and for Final Distribution

DOD: 3/2/13	DIANE ESPARZA , Daughter and Executor with Limited IAEA without bond, filed her Amended First and Final Account on 8/21/14. The petition requested statutory fees of \$6,252.84 to Petitioner and her attorney, reimbursement of \$13,686.21 to Petitioner for expenses (less \$10,400.00 for rent) , and distribution of the estate to Diane Esparza and Ray Esparza as trustees of the Ray P. and Virgie Esparza Trust.	NEEDS/PROBLEMS/COMMENTS: <u>SEE ADDITIONAL PAGES</u>	
	RAY ESPARZA , Son, filed his Objection on 9/23/14. Dispute Resolution Agreement attached to Declaration of A. Emory Wishon, III, in Support of Dispute Resolution Agreement filed 2/5/15 included a list of specific assets and liabilities, withdrawal of the objection, and attorney fees to Objector's attorney of \$6,370.00 plus costs of \$1,032.00. Minute Order 2/10/15 states: The matter is approved subject to filing of a receipt for the \$10,400.00 owed for rent, and with the objector's attorney's fees at \$6,252.84 plus costs of \$1,032.00. Mr. Wishon to submit a revised order. Petition granted, order to be signed ex parte. On 2/23/15 , Mr. Wishon submitted a revised proposed order, along with a declaration, that provides revised schedules, fee calculations, and distribution. Because the proposed order did not correspond to the petition that was granted on 2/10/15 or the Court's minute order, the Court re-set the matter for hearing, with Petitioner responsible for serving notice on all parties entitled thereto. See Page 2 for a comparison of the petition and the revised schedules attached to the declaration.

NEEDS/PROBLEMS/COMMENTS:

1. Need proof of service of Notice of Hearing at least 15 days prior to the hearing pursuant to the Court's order of 3-2-15 and Probate Code §1220 on Ray Esparza, Attorney Gregory J. Roberts, and Mandy Esparza.
2. On 2-10-15, the Court granted the petition, subject to receipt of the \$10,400.00 owed, and authorized attorney fees and costs to the Objector's attorney in the same amount as the statutory fees that were authorized to Petitioner and her attorney.

However, the proposed order was submitted with revised schedules that now include a previously disputed account, which result in an increase of the statutory fee calculation for Petitioner and her attorney.

- a. The declaration and revised schedules are not verified by the fiduciary Executor.
- b. It does not appear that this increase was contemplated by either the agreement or the Court when granting the petition. Need clarification.

Note: The proposed attorney fees to Objector's attorney were also increased further than what was authorized, but only to the amount noted in the agreement.

3. The proposed order now includes costs of \$1,439.45 to Petitioner's attorney, which were not previously requested, and have not been itemized for review pursuant to Local Rule 7.17. Need itemization.
4. The proposed order also appears to include a parcel of real property that was not included in the I&A. I&A Partial No. 1 filed 1-3-14 includes the residence, APN 436-113-14, without any legal description. The proposed order includes distribution of the residence, APN 436-113-14, as "Parcel One" plus "Parcel Two" APN 436-113-23. Need clarification: Was Parcel Two included in the Probate Referee's appraisal value OF \$110,000.00?
5. The proposed order does not include the dollar amount for distribution in addition to the real property pursuant to Local Rule 7.6.1.A.

<p>Cont 030515</p>	<p>Petitioner states: Conservatee Lorraine Keehn drafted and signed the Lorraine Keehn Trust in April 1993 and modified the trust on 4-5-02. In April 2014, strife overcame the family regarding Lorraine, who at that time was 90 years old and was living in her home with her daughter, Linda Courtney. Through events that are no longer relevant, Lorraine began living with her son, Richard Natividad.</p>	<p>Continued from 3-5-15</p>

Additionally, the distribution of trust assets was dramatically changed, providing Richard with 90% and Linda with 10%. Previously, they were to receive equal shares. Petitioner states when Lorraine was told this information, she protested to the new provisions naming Richard as agent and trustee, and indicated she wanted Linda and Richard to receive equal shares of her estate. After several hearings, depositions, and discovery regarding Lorraine's care, potential conservator, and trust documents, all parties agreed to a Settlement Agreement. Pursuant to the agreement, Rochelle Rosenbalm, Lorraine's granddaughter-in-law, would become conservator of her person and estate, and Lorraine's trust documents would be modified to allow Richard 60% of the estate and Linda 40% of the estate. This modification was to be secured per this petition.

Lorraine was fully advised by her counsel regarding the settlement. She understood the issues and wished for the children to get along. She indicated she agreed with the 60/40 split to her children and believed this was the best way to resolve the situation. Petitioner states Lorraine was never found to be incompetent or suffer from any mental incapacity; rather, it was found that she needed assistance and was in favor of Ms. Rosenbalm as her conservator.

Based on the facts set forth above and pursuant to Probate Code §2580(a)(1) and (b)(11), Petitioner requests to modify the revocable trust documents to express the estate distribution pursuant to the settlement agreement. No additional changes are requested.

Petitioner states this request benefits Lorraine as she does not wish for the current trust distribution to remain in effect and wishes for it to be changed. Additionally, this allows Lorraine to exercise her right in modifying the revocable trust as she has not been found to be mentally incapacitated or unable to understand the request that is being made.

Petitioner requests that this Court order that Conservator Rochelle Rosenbalm be authorized to make a trust modification to the Lorraine Keehn Trust allowing for Richard Natividad to receive 60% of the estate distribution and Linda Courtney to receive 40% of the estate distribution, and any further orders the Court deems necessary.

Attorney Marshall states he spoke with Ms. Rosenbalm, who is unrepresented, about the status of the bond on 1-8-15. She stated she was working diligently to obtain bond, but was having difficulty due to the amount. On 1-23-15, Ms. Rosenbalm informed him that she was still unable to obtain a bond, but was working with Jennifer Walters, court-appointed counsel for the Conservatee, to remedy the situation.
